LIVING TOGETHER IN UGANDA

LOCATION OF UGANDA

- > Location means position where a particular thing is found
- > Uganda is located in East Africa in the continent of Africa.
- > It is surrounded by other countries in all sides. This makes it to be land locked
- > Uganda is located between longitude 29° East and $34\frac{1}{2}^{\circ}$ East and latitude 1° South and $4\frac{1}{2}^{\circ}$ North of the Equator.

UGANDA AS A LANDLOCKED COUNTRY

A landlocked country is a country without a coastline or sea port. This means that she has no direct access to the sea. Uganda is a hinterland

Hinterland is an area which is served by a sea port

Uganda uses two major sea ports to import and export her goods.

These sea ports are

- > Port Mombasa in Kenya
- > Port Dar-es-Salaam in Tanzania

What are exports?

Exports are goods a country sells to other countries

What are imports?

Imports are goods a country buys from other countries
