ITEM 2. (INTRODUCTION TO ENTREPRENEURSHIP EDUCATION)

Mukasa owns a restaurant dealing in local dishes for the last 5 years , he wakes up early and opens the business at 6:00 AM and closes at 11:00PM. He introduced fast foods and snacks section to attract more customers. This has increased profits to UGX 4,000,000 per month. He has a target of transforming it into a hotel after securing a large piece of land.

There are several challenges the business faced like his 5 workers are over conflicting and quarrelling, stealing of cash by employees, but this has not stopped mukasa from operating. Some of the locals take lunch on credit and fail to pay and when demanded, respond irresponsibly that the business has no contribution to the community development. This has made mukama puzzled.

Task : Using your knowledge of Entrepreneurship,

- a. Educate the locals on the contributions of mukasa's restaurant to the community. (08 marks)
- b. Analyze the traits that qualify Mukasa as a successful entrepreneur. (08 marks).
- c. Advice Mukasa on how to overcome the challenges faced in business. (09 marks).

ITEM 3 . (COMMUNICATION SKILLS)

Nakintu a graduate from KISOBOKA UNIVERSITY was hired by OZANA SUGAR FACTORY and as part of her orientation was told to prepare relevant communication documents for the meeting on quality control as well as record the proceedings. Nakintu is unable to present these documentations despite her qualifications of Bachelor's of secretarial studies. She was given ample time to prepare them and has consulted you for help.

Task: Using your entrepreneurship skills, help Nakintu prepare;

- a. Notice inviting employees for a meeting (07 marks).
- b. Agenda for the meeting. (05 Marks) .
- c. Minutes for the meeting. (06 Marks).
- d. Appreciation to the members for the attendance. (07 marks) .

ITEM 4. (INNOVATION AND NEGOTIATION SKILLS

Muruingi is a graduate of B. Com from MUBS. After her studies, she analyzed the community where she was living and identified that it had all the characteristics of the Entrepreneurship she , she decided to establish a general merchandise shop in her home area. At first she only sold in large quantities but later discovered that other businesses in the area sell both in large and small quantities and embraced it.

She learned skills of baking through research and introduced cookies and bans baking section in her business, since her passion was to come up with a big business with multiple departments.

Thieves broke and stole part of her stock in the second month of operation which made her fix strong doors and hire a full time security guard. She personally involves herself in the negotiation process with customers, suppliers and government over tax matters though still lacks the keys to make it be more fruitful.

Task: Using your entrepreneurship skills;

- a. Identify the keys that muruingi should follow to ensure successful negotiations. (15 marks)
- b. Identify the sources of innovation that muruingi tapped. (10 marks).

ITEM 5. (ENTREPRENEURIAL ENVIRONMENT)

Kamukama has passion of venturing in hotel business to offer superior services to his people of kiryandongo and travellers to Northern Uganda. His worry is on the nature of the economic environment which he has not well analyzed and is still wondering which support organizations can come to his rescue to enable him fulfil his passion.

Task: As a student of Entrepreneurship, help kamukama analyze;

- a. Economic aspects that can favor his passion. (15 marks).
- b. Business support organizations where he can tap support (at least 5). (10 Marks).

ITEM 6. (BUSINESS IDEAS AND OPPORTUNITIES)

Marianna has passion for supply of edibles and snacks. This has made her get an idea of starting a restaurant in her home town of maya. She is still challenged on the steps of generating information and starting of the business and the avenue to tap required information.

Task: As a student of Entrepreneurship, explain to Marianna;

- a. Procedures to take to transform the idea of edibles and snacks to a restaurant. (10 Marks)
- b. Steps she has to follow to research on edibles and snacks business. (10 marks)
- c. Avenues from which she can raise concepts to start the restaurant business. (05 Marks).
