

PHSYICAL EDUCATION SCHEME OF WORK

SCHOOL:.....CLASS/STREAM: :.....

TEACHER'S NAME:.....

SUBJECT:..... TERM:.....

WEEK	PERIOD	THEME/TOPIC	COMPETENCY	LEARNING OUTCOMES	TEACHING/LEARNING RESOURCES	METHODOLOGY	REFERENCES	REMARKS
1	2	Introduction to PE	The learner explains the concept of PE and its benefit to an individual as well as the society.	a. Understand the concept of PE (u) b. Know the difference between sport and games (k) c. Appreciate the benefit of engaging in PE to an individual and society (v, a)	Textbooks, charts, videos on PE concepts (e.g., "What is Physical Education?" by PE Central)	Group discussions, brainstorming sessions, peer teaching, think-pair-share	- Understanding Physical Education by Jonan Tushabe - Performance Based Teaching and Assessment: A Practical Guide by Jonan Tushabe - Concepts of Physical Education by Sir Luke	

							- Longhorn Secondary Physical Education Learners Book 1	
2	2	Safety and First Aid	The learner gives first aid for basic injuries incurred at school and at home.	a. Understand the concept of first aid (u) b. Use appropriate safety procedures (s, u, gs) c. Perform first aid for basic injuries (s, gs) d. Understand the use of first aid box components (u)	First aid kits, video on first aid by St John Ambulance, first aid manuals	Teacher-led discussions, practical demonstrations, role-playing scenarios, case studies	- Understanding Physical Education by Jonan Tushabe - Performance Based Teaching and Assessment: A Practical Guide by Jonan Tushabe - Concepts of Physical Education by Sir Luke - Longhorn Secondary Physical Education	

							Learners Book 1	
3	2	Safety and First Aid	Continued from Week 2.	Continued from Week 2 outcomes.	First aid kits, video on first aid by St John Ambulance, first aid manuals	Group practice sessions, peer feedback, simulations of injury scenarios	- Understanding Physical Education by Jonan Tushabe - Performance Based Teaching and Assessment: A Practical Guide by Jonan Tushabe - Concepts of Physical Education by Sir Luke Longhorn Secondary Physical Education Learners Book 1	
4	2	Body Conditionin	The learner performs	a. Know own body and its	Exercise mats, instructional videos	Discussions, hands-on	- Understandi	

		g	warm-up and cool down exercises as key safety precautions for performance of physical activities.	use in performance (k, u) b. Understand injury prevention principles (u) c. Perform warm-up and cool down exercises (s, u) d. Explain the value of these exercises (u, a, v)	(e.g., "Warm-Up and Cool Down Techniques" by Sports Coach UK)	practice, guided discovery, cooperative learning	ng Physical Education by Jonan Tushabe - Performance Based Teaching and Assessment: A Practical Guide by Jonan Tushabe - Concepts of Physical Education by Sir Luke Longhorn Secondary Physical Education Learners Book 1	
5	2	Body Conditionin g	Continued from Week 4.	Continued from Week 4 outcomes.	Exercise mats, instructional videos (e.g., "Warm-Up and Cool Down Techniques" by Sports Coach UK)	Group demonstrations, peer feedback, individual reflection	- Understanding Physical Education by Jonan Tushabe	

							- Performance Based Teaching and Assessment: A Practical Guide by Jonan Tushabe - Concepts of Physical Education by Sir Luke Longhorn Secondary Physical Education Learners Book 1	
6	2	Movement Concepts	The learner performs gymnastic movement activities to improve coordination, awareness, and	a. Understand educational gymnastics relevance (u) b. Apply spotting skills (s) c. Perform basic	Gymnastic equipment, instructional videos (e.g., "Introduction to Gymnastics" by USA Gymnastics)	Group discussions, practical demonstrations, collaborative learning, self-assessment	- Understanding Physical Education by Jonan Tushabe - Performance Based Teaching and	

			performance.	movements with safety (s, u)			Assessment: A Practical Guide by Jonan Tushabe - Concepts of Physical Education by Sir Luke Longhorn Secondary Physical Education Learners Book 1	
7	2	Movement Concepts	Continued from Week 6.	Continued from Week 6 outcomes.	Gymnastic equipment, instructional videos (e.g., "Introduction to Gymnastics" by USA Gymnastics)	Group practice sessions, peer evaluations, reflective discussions	- Understanding Physical Education by Jonan Tushabe - Performance Based Teaching and Assessment: A Practical Guide by Jonan	

							Tushabe - Concepts of Physical Education by Sir Luke - Longhorn Secondary Physical Education Learners Book 1	
8	2	Review and Assessment	Review all competencies covered in the term.	Demonstrate understanding and skills from previous topics.	All resources used throughout the term	Assessment through practical demonstrations, self-assessment, peer feedback	- Understanding Physical Education by Jonan Tushabe - Performance Based Teaching and Assessment: A Practical Guide by Jonan Tushabe - Concepts of Physical Education by	

							Sir Luke - Longhorn Secondary Physical Education Learners Book 1

Learning Activities

- a) **Group Discussions:** Encourage brainstorming and sharing of ideas.
- b) **Practical Demonstrations:** Hands-on practice of skills learned.
- c) **Role-Playing:** Simulate real-life scenarios for first aid and gymnastics.
- d) **Presentations:** Allow students to present their findings and understanding.
- e) **Peer Teaching:** Students explain concepts to each other to reinforce learning.
- f) **Self-Assessment:** Encourage students to reflect on their learning and performance.

Assessment Strategies

- a) **Observation:** Monitor teamwork, execution of skills, and engagement during activities.
- b) **Written Assignments:** Summarize discussions and concepts learned.
- c) **Practical Tests:** Assess the application of first aid techniques and gymnastics skills.
- d) **Peer Feedback:** Encourage constructive criticism among students.
- e) **Self-Reflection:** Students evaluate their understanding and areas for improvement.
