

PRIMARY THREE LITERACY 1 A LESSON NOTES.

TOIL FOR FORTUNE!

LITERACY 1 A TERM ONE

NAME AND LOCATION OF OUR SUB COUNTRY

Qn: What is literacy?

- ❖ Literacy is the ability to read and write

Qn: Who is a literate?

- ❖ A literate is a person who is able to read and write

Qn: What is illiteracy?

- ❖ Illiteracy is the inability to read and write

Qn: Who is an illiterate?

- ❖ An illiterate is a person who is unable to read and write

Map and pictures

- ❖ A map is a drawing of an object as seen from above.
- ❖ Picture is a drawing of an object as seen from a side.

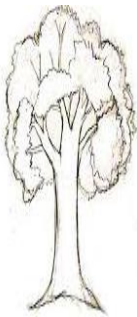

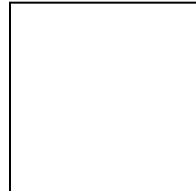

Differences between maps and pictures

- ❖ A map is drawn as seen from above while a picture is drawn as seen from a side
- ❖ A picture is more detailed than a map

Similarities between maps and pictures

- ❖ Both represent real objects
- ❖ Both are drawings

Drawing maps and pictures

picture	map
Picture of a tree 	A map of a tree 
Table 	A map of table 

Picture of a hut

A picture of a cup

A map of a cup

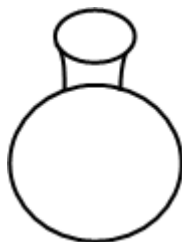

A picture of a car

A map of a car

A picture of a pot

A map of a pot

Importance of a map

- ❖ They store information
- ❖ They are used to locate places

Elements or Components /features of a good map

- ❖ Title /heading

- ❖ Compass direction
- ❖ Scale
- ❖ Frame

(a) A compass direction

- ❖ It shows direction of places on a map
- ❖ A key is used to interpret symbols used on a map

Colours used on maps

- ❖ Blue colour represents water bodies on a map
- ❖ Green colour represents plants or vegetation on a map

(b) A scale

- ❖ It is used to calculate actual ground distance between places on a map

(c) Frame

- ❖ It encloses a map

(d) Title /heading

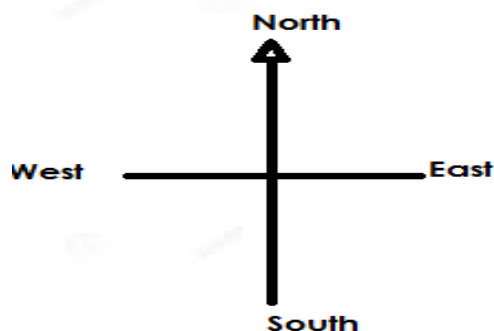

- ❖ It shows what a map is all about

A compass

- ❖ This is an instrument used to show direction of places

Cardinal points of a compass

- ❖ These are the four major points of a compass i.e. North, South, West and East.
- ❖ They are also known as Primary points.

Semi cardinal/secondary points

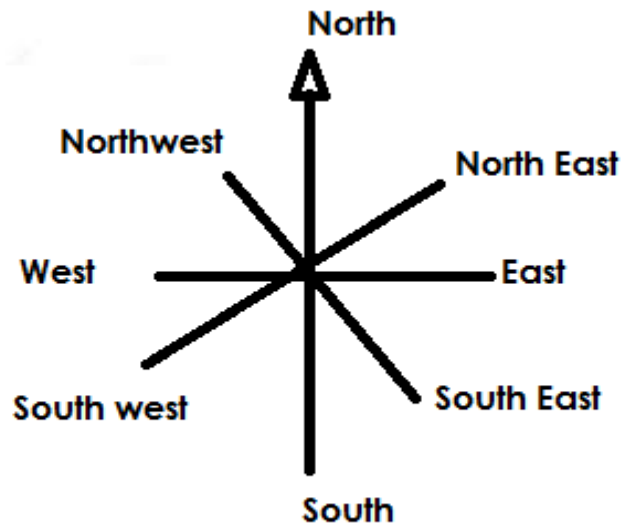

These are points formed between cardinal points i.e.

North East (NE)

South East (SE)

South West (SW)

North West (NW)

NOTE;

- ✓ A compass needle always points to the North while at rest
- ✓ A compass face sums up to 360 degrees.
- ✓ Angle between cardinal points is 90 degrees.

Groups of people who use a compass

- ❖ Pilots
- ❖ Tourists
- ❖ Mountain climbers[mountaineers]
- ❖ Rally drivers
- ❖ Ship captains
- ❖ Soldiers

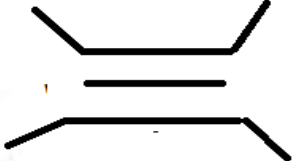

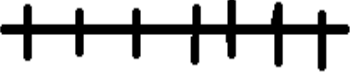

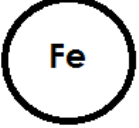

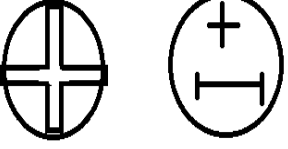

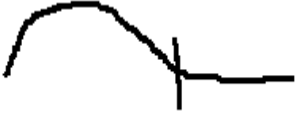

Map symbols

- ❖ They are features used to represent real objects on a map

Qn: Why are symbols used on a map instead of real objects?

- ❖ To avoid overcrowding
- ❖ They promote neatness

Common map symbols

 Permanent river	 Quarry
 Bridge	 Mountain peak
 Railway	 Ferry
 Mosque	 Church
 Permanent lake	 Swamp/marsh
 A hill	 a hospital
 A dam	 Mountain

	A canal
	Airport
	Forest
	seasonal lake

Qn: Give three ways findings/locating places

- ❖ Using a compass
- ❖ Using landmarks
- ❖ Using the position of the sun
- ❖ Using neighbouring places

Qn: In which direction does the sun appear to rise?

- ❖ East

Qn: In which direction does the sun appears to set?

- ❖ West

Qn: At what time of the day does the shadow appear shortest?

- ❖ At noon/mid-day

Qn: Why does the shadow appear shortest at moon?

- ❖ The sun is directly above the object

Qn: Name the instrument that is used to find the location of places

- ❖ A compass

Qn: Draw a map symbol of;

- i) a waterfall
- ii) a seasonal river
- iii) a rift valley

THE NAME AND LOCATION OF OUR TOWN COUNCIL:

Meaning of terms

- ❖ A homestead is a home and its surroundings
- ❖ A village is a group of homes in an area
- ❖ A parish is a group of villages in the same area
- ❖ A sub county is a group of parishes in the same area
- ❖ A county is a group of sub counties in the same area
- ❖ A district is an administrative area at the level of local council five

Our town council

- ❖ Our town council is called Kajjansi town council.
- ❖ Our town council is found in **Wakisodistrict.**

Neighbours of our town council;

- ❖ Katabi town council
- ❖ Makindye Ssabagabo

- ❖ The capital city of Uganda is Kampala
- ❖ The main airport is Entebbe international air port
- ❖ The largest hospital in Uganda is Mulago hospital
- ❖ The main university in Uganda is Makerere University

Qn: In which zone(village) is our school found?

- ✓ Kitende Zone A

Qn: In which district is our school found?

- ✓ Wakiso district

Important places in our town council

- ✓ These are areas where people get services

Examples of important places

- Markets like Kajjansi market, Bwebajja market
- Police stations /police posts like Kajjansi police station.
- Hospitals like Namulanda hospital
- Dispensaries
- Schools
- Salons/ Barber's
- Churches and mosques
- Post office
- Banks
- Petrol stations
- Pharmacies/drug shops
- Hotels/lodges

PHYSICAL FEATURES IN OUR TOWN COUNCIL

Physical features

- ✓ Physical features are landforms of an area

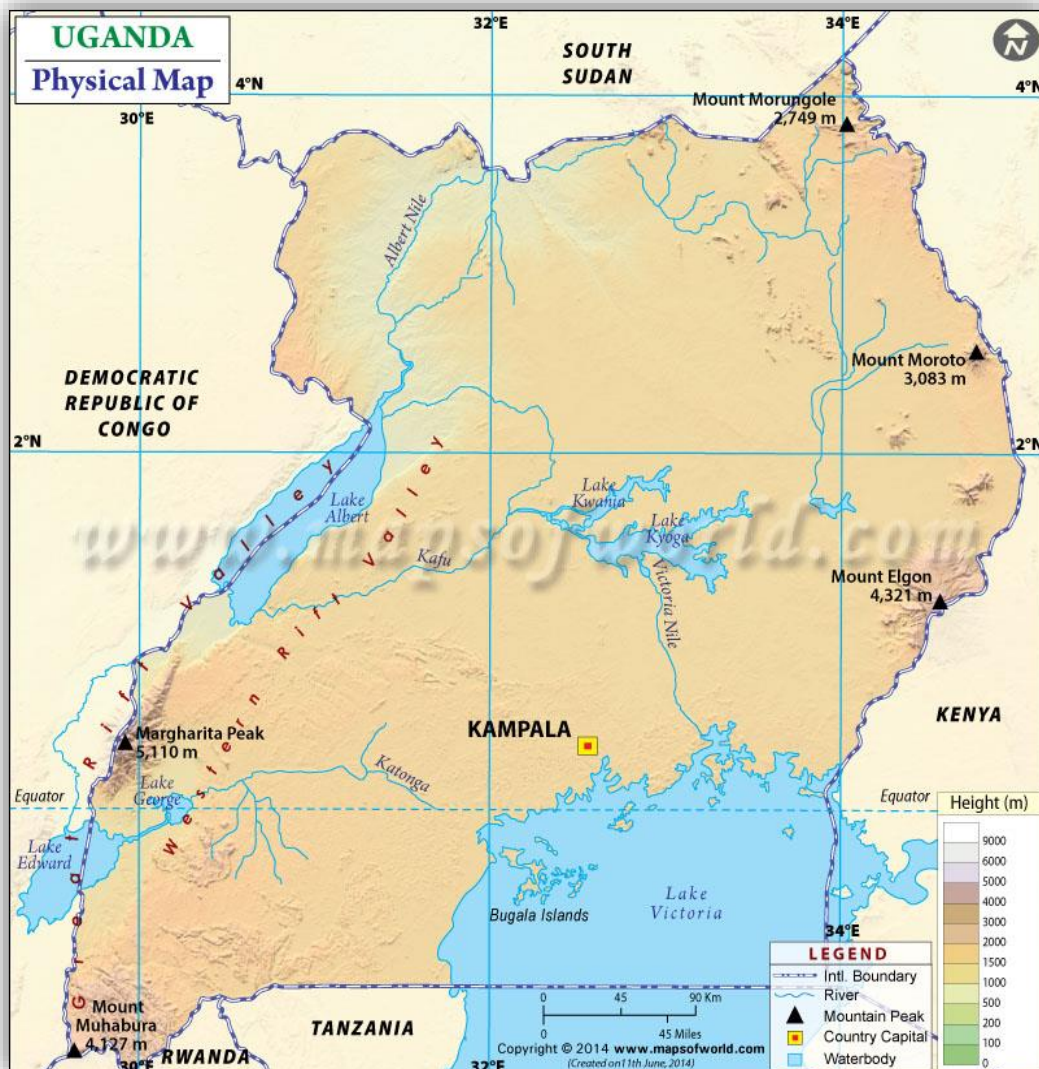

Examples of physical features

- ✓ Lakes
- ✓ Rivers
- ✓ Plateaus
- ✓ Mountains

- ## Major mountains in Uganda

- Mount Rwenzori is the highest mountain in Uganda.
- A peak is the highest point of a mountain.
- Plateaus cover the largest part of our area.

A PHYSICAL MAP OF UGANDA

Importance of mountains

- i) They help in rain formation [relief rainfall]
- ii) They promote tourism
- iii) Some mountains have minerals
- iv) They are used for grazing animals
- v) Slopes of mountains are used for growing crops (cultivation)
- iv) They form natural boundaries between countries
- v) Mountain slopes are a home of some wild animals.

Problems faced by people living on mountain slopes

- i) Excessive soil erosion
- ii) Poor transport network
- iii) Landslides/mudslides
- iv) Volcanic eruption
- v) High spread of diseases

Ways of solving the above problems

- ❖ By rearing donkeys for transport
- ❖ By terracing their land
- ❖ By constructing winding roads
- ❖ By contour ploughing

Mountain range

- ❖ A mountain range is a series of connected mountains

LAKES

- ❖ A lake is a large mass of water surrounded by land

Examples of lakes in Uganda

- ❖ Lake Victoria
- ❖ Lake Kyoga
- ❖ Lake George

- ❖ Lake Wamala
- ❖ Lake Albert
- ❖ Lake Edward
- ❖ Lake Katwe
- ❖ Lake Mburo

Qn: Name the largest fresh water lake in Uganda

- ❖ Lake Victoria

Name the lake which provide us with salt?

- ❖ Lake Katwe

Write down the swampiest lake in Uganda

- ❖ Lake Kyoga

Name two man – made lakes in Uganda

- ❖ Kabaka's lake in Kampala
- ❖ Uganda martyr's lake in Namugongo

Importance of lakes

- ❖ They help in rain formation[convectional]
- ❖ They promote tourism
- ❖ They are fishing grounds
- ❖ They provide water for domestic use
- ❖ They are used for transport

Economic activities done on lakes/ rivers

- ❖ Fishing
- ❖ Tourism
- ❖ Mining
- ❖ Transport
- ❖ Trade

Problems faced by people living near lakes and rivers

- i) Attacks from water animals
- ii) Floods
- iii) They are breeding places for vectors
- iv) Drowning

Rivers

A river is a narrow mass of water flowing in a channel.

Sources of rivers

- ❖ Highlands/mountains
- ❖ Lakes

- ❖ Swamps
- ❖ Plateaus
- ❖ Forests

Examples of rivers in Uganda

- ❖ River Nile
- ❖ River Kafu
- ❖ River Mayanja
- ❖ River Katonga
- ❖ River Kagera
- ❖ River Mpologoma

Name the longest river in Uganda

- ❖ River Nile

Importance of rivers

- ❖ They help in generation Hydroelectricpower [H.E.P]
- ❖ They are fishing grounds
- ❖ They promote tourism
- ❖ They help in rain formation[convectional]
- ❖ They provide water for domestic use

PLATEAU

- ❖ A plateau is a raised flat-topped piece of land
- ❖ It can also be called table land

Qn; Which landform covers the largest part of our town council?

Plateau

Economic activities

These are types of work people do to earn a living/to get money.

Economic activities carried out on the plateau

- ✓ Crop growing/cultivation
- ✓ Animal rearing
- ✓ Pottery
- ✓ Bee keeping
- ✓ Tourism
- ✓ Trade
- ✓ Fishing
- ✓ Mining
- ✓ Lumbering
- ✓ Black smithing
- ✓ Tree planting

- ✓ Poultry keeping
- ✓ Building
- ✓ Teaching
- ✓ Quarrying

Importance of plateaus

- i) They are used for crop growing/cultivation
- ii) They are grazing areas for animals
- iii) They are mining areas
- iv) They promote tourism
- v) They are used for human settlement
- vi) They provide space for road construction
- vii) They are used for building industries

Reasons why most people settle on plateau areas

- ✓ Presence of fertile soil
- ✓ Presence of enough pasture
- ✓ It provides a good space for building houses

HILLS

- ❖ A hill is a fairly raised piece of land with steep sides.

Examples of hills in our town council

- ❖ Kitende hill.
- ❖ Kiwamirembe hill
- ❖ Kawoto hill
- ❖ Bwebajja hill

Importance of hills

- ❖ They are used for human settlement
- ❖ They are used for crop growing
- ❖ They are used for animal grazing
- ❖ They are mining areas
- ❖ They provide space for building telecom network masts.

Valleys

- ❖ A valley is a low land between two close hills/mountains

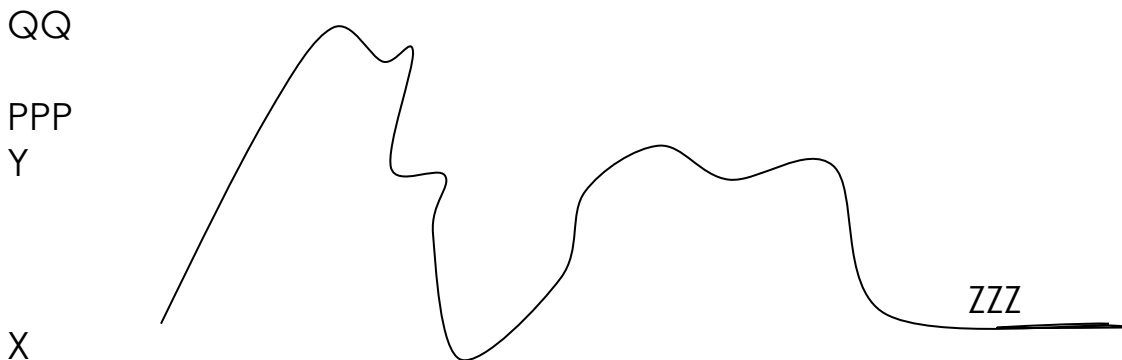

Importance of valleys

- ❖ They are sources of clay for pottery
- ❖ Some are fishing grounds
- ❖ They promote tourism
- ❖ They support farming

Problems faced by people who live in valleys

- ❖ Poor transport
- ❖ Flooding
- ❖ They are breeding places for vectors
- ❖ High temperatures

Study the diagram below and answer the questions that follow

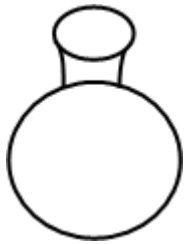

Name the features;

- ❖ Y- Mountain /Hill
- ❖ X – Valley
- ❖ ZZZ_ Plain
- ❖ PPP – Plateau
- ❖ QQ---Peak

Topical activity

1. Write down any one danger of living in valleys
2. Draw a map symbol of a plateau
3. Mention the main economic activity practised in plains
4. Give one challenge faced by people in highland areas
5. Of what one value are hills to people?
6. Give the meaning of “a valley.”
7. Why is crop growing a common activity on plateaus?
8. What are economic activities?
9. On which hill is your school located?
10. In which one way are industries important to people?
11. Who is a lumberjack?
12. Mention any manmade lake in your district
13. State the main economic activity done on waterbodies
14. Write any recreation activity carried out on lakes and rivers
15. Give one way landforms are important in your community.
16. How are fishmongers of value in a community?

17. Which type of rainfall is commonly received in areas around large waterbodies and forests?
18. Name the mountain in Uganda whose highest peak is Muhavura
19. State any importance of fish to people
20. Name the largest fresh water lake in Uganda
21. Mention any feature found on plateaus
22. Write any landform that contains water
23. Why are there many people living on plateaus?
24. Of what benefit are lakes and rivers to fishermen?
25. Mention any item made by a blacksmith
26. Which type of electricity is generated by fast flowing water?
27. How is the item below useful in a home?

28. Write any one source of clay
29. Name the highest peak of the highest mountain in Uganda
30. Make a drawing in the space below and indicate the following;
- (i) plain
 - (ii) plateau
 - (iii) peak
 - (iv) valley
 - (v) mountain

PEOPLE IN OUR TOWN COUNCIL

Ethnic groups in our town council

- ❖ An ethnic group is a large group of people with the same origin and speak related languages.
- ❖ Another name for ethnic group is a tribal group.

Tribe

- ❖ A tribe is a group of people with the same origin and speak the same languages.

Major ethnic groups in Uganda.

- a) Bantu
- b) Nilotic (River lake Nilotes)
- c) Nilo Hamites
- d) Hamites

e) Sudanic

Ethnic groups tribes and languages in our town council

<u>ETHNIC GROUP</u>	<u>TRIBE</u>	<u>LANGUAGE</u>
<u>Bantu</u>	Basoga Baganda Bakiga Bagisu Banyoro Banyankole Batooro Samia Banyoli Bagwere	Lusoga Luganda Rukiga Lumasaba Runyoro Runyankole Rutooro Samia Lunyoli Lugwere
<u>Nilotes</u>	Acholi Alur Jopadhola	Luo Alur Adhola
<u>Nilo hamates</u>	Karimojong Iteso Langi Kumam	Akarimojong Ateso Luo Kumam
Hamites/cushites	Bahima	Runyankole

NOTE:

- The Bantu is the largest ethnic group in our town council
- The Baganda is the largest tribe in our town council
- Luganda is the commonest language spoken in our town council
- Luganda is the cultural/traditional language commonly spoken in our town council
- English is the official language used in our town council
- The Hamites is the smallest group in our town council

Qn: Identify the main occupation of the following ethnic groups

- Bantu – crop growing/cultivation
- Nilotes – cattle keeping
- Nilo Hamites – cattle keeping
- Hamites – Cattle Keeping

LEGENDS

- ❖ A legend is a story of long ago

Example of legends

- ❖ The story of Kintu and Nambi
- ❖ The story of Mundu and Sera

- ❖ They story of Isaza and the king of hell
- ❖ They story of the three sons of Kintu
- ❖ The story of the spears and the bead
- ❖ The legend of the Bachwezi

The story of Kintu and Nambi

Guiding Questions

1. Who was the first Muganda?
2. Who was the wife of Kintu?
3. How many tests were given to Kintu before marrying Nambi?
4. Who was the King of Heaven?
5. Who was the father of Nambi?
6. What helped Kintu to split a hard rock?
7. Who was the husband of Nambi?
8. Who was the cruel /bad brother of Nambi?
9. What does the name Walumbe mean?
10. What did Nambi forget in Heaven?
11. What did Nambi forget in Heaven?
12. Who brought death according to Buganda?
13. What did Kintu use to feed on?
14. What helped Kintu to find his lost cow?
15. Write short notes about the following;
 - i) Gulu: -
 - ii) Nambi: -
 - iii) Tanda: -
 - iv) Walumbe: -
16. Name the children of Gulu.

TESTS GIVEN TO KINTU TO MARRY NAMBI

- i) To eat 100 basketfuls of food
- ii) To find his cow from Gulu's many cows
- iii) To split a hard rock with an axe
- iv) To fetch water in a basket full of holes

Lessons learnt from the legend of Kintu and Nambi

- i) Forgetfulness is always bad
- ii) We should have faith
- iii) Cruelty brings hatred
17. Why did Gulu refuse Nambi to Marry Kintu at First?
18. Name the son of Gulu who was sent on earth to take Walumbe back to heaven?

2. MUNDU AND SEERA

Possible guiding questions about the legend Mundu and Sera
Who are believed to be the first Bagisu on earth?

2. Name the sons of Mundu and sera
3. Name the mountain where Mundu and Sera are believed to have come from
4. Who was the wife of Mundu?
5. Who was the first son of Masaba?
6. Who was the father of Muwambu?
7. Name the group of people who stole Mwambu's cows
8. Why did Masaba give his son Mwambu a new name?
9. What does the term Ingishu mean?
10. Mention the gift was given to Masaba by the Masai warriors
11. Name any two lesson we learn from the above story.

3. THE SPEAR AND THE BEAD

Possible guiding questions about the legend of the spear and the bead

1. How was Gipiir related to Labongo?
2. Who was the father of Gipiir and Labongo?
3. Under which ethnic group did Gipiir and Labongo belong?
4. Name the animal that ran with Labongo's spear
5. Where did Gipiir get the spear from?
6. Who helped Gipiir to get back his brother's spear?
7. What was the work of Labongo according to the legend?
8. Who were the leaders of the Luo?
9. Draw a picture of Gipiir throwing his axe into the water
10. Who was the keeper of all the elephants in the story
11. According to you, who is to blame? Give a reason for your answer
12. Name the tribe in west Nile which was formed by Gipiir
13. Name the tribe in Northern Uganda that was formed by Labongo
14. Which region of Uganda tell the story of the spear and the bead

Lessons we learn from the legend of Gipiir and Labongo

- ❖ To forgive one another
- ❖ To avoid revenge
- ❖ To respect one another
- ❖ To always seek permission before using one's property

4. THE THREE SONS OF KINTU

Possible guiding questions about the story of the three sons of Kintu

1. Name the three sons of Kintu
2. What was the general name of the three sons of Kintu
3. Give the meaning of the following names

- i) Kairu
- ii) Kahuma
- iii) Kakama
- 4. Draw the three sons of Kintu holding their pots of milk
- 5. What lesson do you learn from story of the three sons of Kintu
 - i) We learn to obey parents
 - ii) We learn the name care used for identification
 - iii) To take care of our property

5. THE LEGEND OF ISAZA AND THE KING OF HELL

Guiding questions about the legend of Isaza and the King of Hell

1. Which region of Uganda tells the above story?
2. Who was the King of Hell?
3. Who was the King of the earth?
4. Who was the gate keeper of Isaza?
5. Who was the daughter of King Nyamiyonga?
6. Who was the daughter of Bukuku?
7. Who was the son of Isaza?
8. Who was the son of Nyinamwiru and Isimbwa
9. Who killed Bukuku?
10. What was the most precious thing of King Isaza
11. Who was the first king of the Bachwezi

FAMILY, LINEAGE AND CLANS

Family:

A family is a group of people related by blood, marriage or adoption

Types of families

- ❖ Nuclear family
- ❖ Extended family

(A) Nuclear family

- ❖ This is a type of family where we find father, mother and their own children

Advantages of a nuclear family

- ❖ It is easy to provide food to family members
- ❖ It is easy to provide clothes
- ❖ It is easy to provide medical care
- ❖ It is easy to provide shelter
- ❖ Children enjoy parental love

Disadvantages of a nuclear family

- ❖ Lack of enough labour force
- ❖ Children may not know other family relatives
- ❖ Incase parents die, children may be left alone
- ❖ Limited social security

(B) Extended family

- ❖ This is a type of family father, mother their own children and other relatives

Members of an extended family

- ❖ Grand mother
- ❖ Grand father
- ❖ Uncle
- ❖ Aunt
- ❖ Cousins
- ❖ Niece
- ❖ Nephew

Advantages of an extended family

- ❖ There is enough labour.
- ❖ There is enough social security
- ❖ It is easy for the children to know their relatives

Disadvantages of an extended family

- ❖ It is expensive to provide food
- ❖ It is expensive to provide medical care
- ❖ It is expensive to provide education
- ❖ It is expensive to provide clothes
- ❖ It is expensive to provide accommodation

Family head

- ❖ A family head is a person who controls a family
- ❖ A father is the head of a family.

Duties of a family head

- ❖ Pays school fees
- ❖ Provides shelter
- ❖ Provides security
- ❖ Provides medical care
- ❖ Provides clothes

Duties of a mother at home

- ❖ Cooks food
- ❖ Take care of the children

Activity

1. Who heads a family?
2. State any duty of a family head.
3. Mention the type of family where we find mother, father, children and aunt.
4. What is a home?
5. How is an extended family bad?
6. Give one benefit of having a nuclear family
7. State two responsibilities of children in home
8. How are children related to their parents?
9. Write any member of an extended family
10. What is a homestead?

A CLAN

- ❖ A clan is an organized group of people under one fore father

Symbols of a clan

- ❖ Clan names
- ❖ Clan totems
- ❖ Clan drumming

TOTEM

- ❖ A totem is a special object plant, insect or animal that is respected by a clan

LINEAGE

- ❖ A lineage is a small group of people in a clan

Examples of clans among the Baganda include

- ❖ Mpologoma
- ❖ Lugave
- ❖ Enkima
- ❖ Engabi etc.

Administrative set up and types of leaders

A LEADER

- ❖ A leader is a person who guides and manages others

Examples of leaders

- ❖ Kings
- ❖ The president
- ❖ Head teachers
- ❖ Pastors
- ❖ Bishops
- ❖ Chiefs
- ❖ Members of parliament

- ❖ Imams
- ❖ RDC
- Ways of becoming a leader

- ❖ Through elections/voting
- ❖ Through appointment
- ❖ By volunteering
- ❖ Through inheritance

Types of leaders

- ❖ Political leaders
- ❖ Civic leaders
- ❖ Religious leaders
- ❖ Cultural /Traditional leaders
- ❖ Voluntary leaders

Political leaders

- ❖ These are people who become leaders through elections.

Examples of political leaders

- ❖ President
- ❖ Members of parliament
- ❖ LC I chairperson
- ❖ LCII Chairperson
- ❖ LCIII Chairperson
- ❖ LCV Chairperson
- ❖ Mayor
- ❖ Resident District Commission (RDC)
- ❖ Ministers

THE LOCAL COUNCIL SYSTEM

There are four level of local council; system

- i) LC1 - Heads a village /zone/cell/ward
- ii) Local Council II – Heads a parish
- iii) Local council III – Heads a sub –county
- iv) Local council V – Heads a district

Members of the local council 1 executive committee

Member	Duties
Chairperson	❖ Heads alocal council committee ❖ Signs official documents ❖ Settles disputes ❖ Chairs the committee and council meetings
Vice chair person	❖ Assists the chairperson in all his duties.

	❖ He is in charge of children's affairs
General Secretary	❖ Records minutes of council meetings ❖ Calls LC meetings ❖ Keeps records and council documents
Secretary for finance	❖ He is the treasurer of the council
Secretary for defense	❖ Maintain peace and security in an area
Secretary for information Education and Mobilisation	❖ He passes on all information required by the people
Secretary for youth	❖ Mobilises the youth to participate in developmental activities
Secretary for women and public health	❖ She is in charge of women's affairs
Secretary for production and environmental protection	❖ Promotes economic production ❖ Encourages the protection of environment in the area
Secretary for the elderly	❖ He or she is in charge of affairs of the elderly people

Qn: Who is the current president of Uganda?

2. Who heads the local council 1 committee?
3. How many members make up the local council 1 committee?
4. Who is in charge of children's affairs at the local council?

General duties of the local council

- ❖ They solve disputes among people
- ❖ They punish criminals
- ❖ They maintain law and order
- ❖ They make by laws
- ❖ They mobilise people for development

Civic leaders

- ❖ These are people who become leaders through appointment.
- ❖ They work for and paid by government.

Examples of civic leaders

- ❖ District Education Officer (D.E.O)
- ❖ District Police Commander (D.P.C)

- ❖ Chief Administrative Officer (C.A.O)
- ❖ District Health Officer (D.H.O)
- ❖ District Veterinary Officer (D.V.O)
- ❖ District Police Commander(D.P.C)
- ❖ District Planner (D.P)
- ❖ District Engineer (D.E)

Religious leaders

- ❖ These are people who lead others in different religions.

Examples of religious leaders

- ❖ Priests
- ❖ Imam
- ❖ District Khadi
- ❖ Mufti
- ❖ Catechist
- ❖ Archbishop
- ❖ Cardinals
- ❖ Bishop
- ❖ Pastors

Cultural leaders/traditional leaders

- ❖ These are people who become leaders through inheritance.

Examples of cultural leaders

- ❖ Kings
- ❖ Chiefs
- ❖ Clan heads
- ❖ Princes
- ❖ Princesses
- ❖ Queens

Tribal leaders in Uganda

Tribe	Title	Present leader
Baganda	Kabaka	Ronald Muwenda Mutebi II
Basoga	Kyabazinga	Wilberforce NadiopelV
Banyoro	Omukama	Solomon Gafabusalguru
Iteso	Omorimor	Augustine OsubanLemkol
Batooro	Omukama	Oyo Nyimba Kabamba Iguru
Japadhola	Tieng Adhola	Oworistephern
Acholi	Rwot	David OnenAchana
Bakonjo	Omusinga	Wesley Mumbere

Voluntary leaders

- ❖ These are people who provide free or cheap service to the people.

Examples of voluntary leaders

- ❖ Scouts and guides
- ❖ Prefects
- ❖ Red cross

Importances of leaders

- ❖ They settle conflicts among people
- ❖ They maintain law and order
- ❖ They encourage development among people
- ❖ They implement government programmes

OCCUPATIONS OF PEOPLE IN OUR TEON COINCIL AND THEIR IMPORTANCE

- ❖ The word occupation also refers to economic activities

Economic activities

- ❖ These are different types of work done by people to get money

Examples of economic activities in our two council

- ❖ Crop growing
- ❖ Animal grazing
- ❖ Trade
- ❖ Mining
- ❖ Tourism
- ❖ Fishing
- ❖ Lumbering

FISHING

- ❖ Fishing is the catching of mature fish from water body

Types of fish caught in Uganda

- ❖ Tilapia fish
- ❖ Mud fish
- ❖ Cat fish
- ❖ Nile perch
- ❖ Lung fish

Places where fish is caught

- ❖ Rivers
- ❖ Swamps
- ❖ Lakes
- ❖ Ponds

Qn: Name the commonest fish caught in Uganda

- ❖ Tilapia

Qn: Which is the largest type of fish caught in Uganda?

- ❖ Nile perch

Qn: Which type of fish is commonly caught in swamps

- ❖ Mud fish
- Methods of catching fish

- ❖ Using fishing nets
- ❖ Using spears
- ❖ Using baskets
- ❖ Using hooks
- ❖ Using traps

Ways of preserving fish

- ❖ By smoking
- ❖ By sun drying
- ❖ By salting
- ❖ By canning
- ❖ By freezing /icing

Uses of fish

- ❖ It is eaten as food
- ❖ It is a source of income
- ❖ Fish can be used as medicine
- ❖ Bones of fish can be used as animal feeds

Problems facing fishing

- ❖ Shortage of capital
- ❖ Poor fishing methods
- ❖ Poor transport
- ❖ Bad weather conditions

N:B:

- ❖ People who catch fish are called fishermen
- ❖ People who sell fish are called fish mongers

Pottery

- ❖ Pottery is the making of pots
- ❖ A person who makes pots is called a potter
- ❖ Clay is used to make pots

Uses of pots

- ❖ For decoration
- ❖ For fetching water
- ❖ For cooking food

Weaving

- ❖ Weaving is the making of things using local material

Examples of crafts

- ❖ Baskets
- ❖ Ropes
- ❖ Bags

- ❖ Hats
- ❖ Mat
- ❖ Door mats
- ❖ Stools
- ❖ Table cloth

Examples of local material used in weaving are

- ❖ Raffia
- ❖ Papyrus
- ❖ Banana fibres
- ❖ Palm leaves

N:B

- ❖ The making of basket is called basket
- ❖ The making of things out of iron is called black smithing
- ❖ A black smith is a person who makes things out of iron

Examples of things made out of iron

- ❖ Knives
- ❖ Pangas
- ❖ Hoes
- ❖ Axes
- ❖ Beds
- ❖ Arrow heads
- ❖ Padlocks

Topical test

TERM TWO P.3 LIT 1A

SOCIAL SERVICES IN OUR MUNICIPALITY

What are social services?

- ❖ These are benefits provided to people by the government to live a better life.

Examples of social services

- ❖ Education
- ❖ Health/medical
- ❖ Banking
- ❖ Communication
- ❖ Transport
- ❖ Security

Social service providers

- ❖ These are groups of people who provide social services.

Examples of social service providers

- ❖ Teachers
- ❖ Doctors
- ❖ Nurses
- ❖ Police officers
- ❖ Drivers
- ❖ Pilots
- ❖ Bankers
- ❖ Engineers
- ❖ Plumbers etc.

Social service centres

- ❖ These are places where social services are got/provided.

Examples of social service centres

- ❖ Hospitals
- ❖ Dispensaries
- ❖ Post office
- ❖ Schools
- ❖ Banks
- ❖ Taxi parks
- ❖ Bus parks
- ❖ Police stations
- ❖ Air fields/airports/aerodromes
- ❖ Railway stations

Ways of caring for social service centres

- ❖ By mopping some of them
- ❖ By Painting them

- ❖ By slashing them
- ❖ By sweeping them
- ❖ By fencing them

Social amenities

- ❖ These are benefits provided to people by the government to live an interesting life
- ❖ Examples of social amenities

Electricity

- ❖ Piped water

Transport services

- ❖ Transport is the movement of people or goods from one place to another

Importance of transport

- ❖ It transports goods from one place to another
- ❖ It promotes tourism
- ❖ It links rural areas to urban centres
- ❖ It promotes trade

Types of transport

- i) Road transport
- ii) Water transport
- iii) Railway transport
- iv) Air transport
- v) Pipe transport

Road transport

- ❖ This is the movement of passengers or goods from one place to another using road transport means

N:B Road transport is the commonest type of transport in Uganda

Means used in road transport

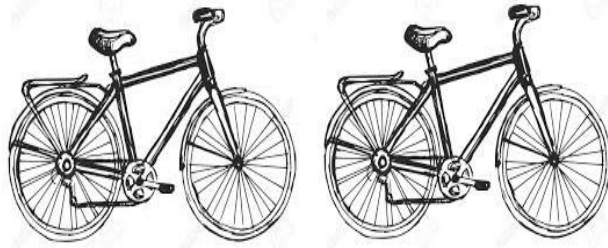

Cars

Lorries

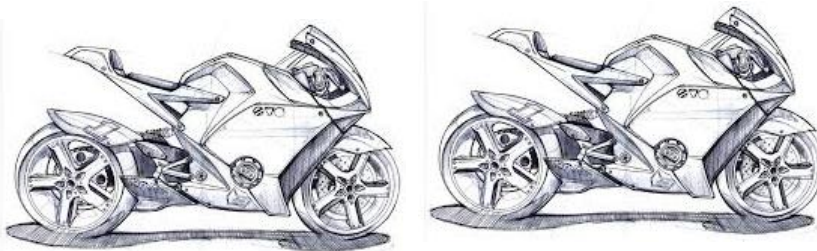

Bicycles

Buses

Motorcycles

Tractors

Road users

- ❖ Pedestrians
- ❖ Cyclists
- ❖ Motorists

N;B A pedestrian is a person who walks along the road

- ❖ A motorist is a person who drives a vehicle
- ❖ A cyclist is a person who rides bicycles or motorcycles

Advantages of road transport

- ❖ It is cheap
- ❖ It is common
- ❖ It is flexible/ offers door to door services

Disadvantages of road transport

- ❖ It is affected by bad weather
- ❖ Accidents are common
- ❖ It is affected by traffic jam
- ❖ It is expensive over long distances

Types of roads

- ❖ Tarmac roads
- ❖ Murram road

Tarmac roads

- ❖ These are roads made up of tar and small stones

Murram roads

- ❖ These are roads made up of soil and gravel

Causes of road accidents

- ❖ Overloading of vehicles
- ❖ Speeding of vehicles
- ❖ Driving vehicles under poor mechanical conditions
- ❖ Failure to interpret road signs by road users
- ❖ Driving under the influence of alcohol
- ❖ Roads under poor conditions

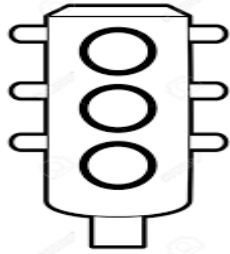

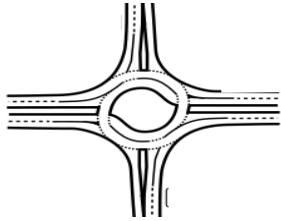

How to control road accidents

- ❖ Follow road signs
- ❖ Avoid speeding vehicles
- ❖ Avoid over loading
- ❖ Do not drink and drive
- ❖ Roads should be regularly maintained

Common road signs

- ❖ These are symbols which help the road users to move carefully and safely on the roads

Draw these road signs

Traffic light 	school ahead 
round about 	Zebra crossing 
No parking 	Parking 
Humps ahead 	Danger ahead 
Turn left 	Turn right 
Railway crossing 	Bridge ahead 

Hospital 	No stopping 
Pedestrian crossing 	Keep left 
Bus stop 	Men at work 

Examples of traditional means of transport

- ❖ Camels
- ❖ Donkeys
- ❖ Rafts
- ❖ Carts
- ❖ Canoes
- ❖ Dhows
- ❖ Horses

Qn: How important is a zebra crossing to a road user?

- ❖ It is where pedestrians cross busy roads

Draw a zebra crossing

Qn: Why should children be taught about road safety rules?

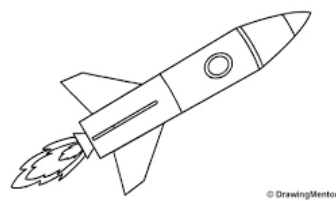

- ❖ To control/ prevent road accidents

Air transport

- ❖ This is the movement of people or goods from one place to another using air transport mean
- ❖ Using air transport means

N:B It is the most expensive types of transport

Means of air transport

Means	pictures
Helicopters	
Aeroplanes	
Jets	
Parachutes	
Rockets	
Air balloons	

Advantages of air transport

- ❖ It is quick /fast
- ❖ It is not affected by traffic jam
- ❖ It is the most comfortable
- ❖ It has a fixed time table
- ❖ It is not mostly affected by physical features

Disadvantages of air transport

- ❖ It is expensive
- ❖ It is not common
- ❖ It is much affected by bad weather
- ❖ There are limited chances of survival in case of an accident

Qn: Name the type of transport suitable for carrying perishable goods

- ❖ Air transport

Qn: Why is Air transport suitable for transporting perishable goods

- ❖ It is quick/fast

Qn: What are perishable goods?

- ❖ Perishable goods are goods which can go bad easily

Examples of perishable goods

- ❖ Tomatoes
- ❖ Vegetables
- ❖ Flowers
- ❖ Fish
- ❖ Milk

Qn: Why do few Ugandans use air transport

- ❖ It is expensive
- ❖ It is not common

Qn: Why is Uganda's Air transport found?

- ❖ Entebbe international Airport, Wakiso district

Examples of airstrips/airfields in Uganda

Kajjansi airfield

Kimaka airfield

Kololo airfield

Kabale Airstrip

Soroti Airstrip

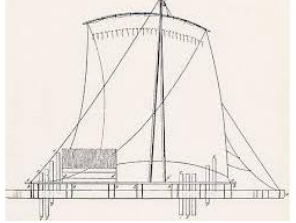

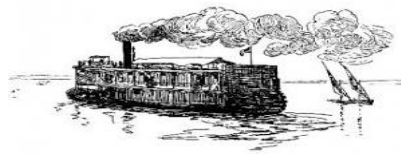

Water Transport

This is the movement of people or goods from one place to another using water transport means

N:B It is the cheapest and slowest types of transport

It is suitable for carrying bulky and fragile goods

Means of water transport

Boats	
Canoes	
Rafts	
Ships	
Ferries	
Steamers	

Advantages of water transport

- ❖ It is cheap
- ❖ It is good for carrying bulky
- ❖ It is not affected by traffic jam

Disadvantages of water transport

- ❖ It is slow
- ❖ It is not flexible/does not offer door to door service
- ❖ It is much affected by bad weather
- ❖ It is affected by piracy

Qn: What title is given to a person in charge of a ship?

- ❖ A ship captain

Places where we get transport services

- ❖ Air transport
- ❖ Bus parks
- ❖ Taxi parks

Railway transport

- ❖ This is the movement of people or goods using trains

Means of railway transport

- ❖ Trains

Advantages of railway transport

- ❖ It is cheap
- ❖ It is not affected by traffic jam
- ❖ It is suitable for carrying bulky goods
- ❖ It is time tabled
- ❖ It is less affected by weather changes

Disadvantages of railway transport

- ❖ It is slow
- ❖ It is not flexible/ does not offer door to door services
- ❖ It is not common
- ❖ Railway lines are expensive to construct

BULKY GOOD

- ❖ These are heavy goods

Examples of bulky goods

- ❖ Cement
- ❖ Minerals
- ❖ Metallic bars
- ❖ Vehicles
- ❖ Iron sheets
- ❖ Furniture

COMMUNICATION

What is communication?

- ❖ Communication is the sending and receiving of messages

Types of communication

- ❖ Verbal communication
- ❖ Non verbal communication
- ❖ Written communication

Verbal communication

- ❖ Is when messages are passed with word production

Means used can be messengers;

Non verbal communication

- ❖ This is when messages are sent without saying a word

Means used can be gestures facing expressions

Written communication

- ❖ This is when communication through writing e.g Newspapers, magazines

Traditional means of communication

- ❖ These are means of communication that were used long ago before the introduction of modern means

Examples of traditional means of communication

- ❖ Smoke signal
- ❖ Whistles
- ❖ Bells
- ❖ Drums
- ❖ Horns
- ❖ Messengers

Advantages of traditional means of communication

- ❖ They are cheap and easy to use
- ❖ They are readily available
- ❖ They cater for both literate and illiterates
- ❖ They promote unity

Disadvantages of traditional means of communication

- ❖ They cover small areas
- ❖ They are slow
- ❖ They don't give feedback
- ❖ They are not effective
- ❖ They require a lot of interpretation

Modern means of communication

- ❖ These are means of communication that were introduced by foreigners

Examples of modern means of communication

- ❖ Television
- ❖ Newspaper
- ❖ Radios
- ❖ Televisions
- ❖ Internet
- ❖ Bill boards
- ❖ Magazines

Advantages of modern means of communications

- ❖ They are quick /fast
- ❖ They cover a wide area
- ❖ They are effective

- ❖ Some give a feedback
- Disadvantages of modern means of communication

- ❖ They are expensive
 - ❖ They don't cater for illiterates
 - ❖ Some promote lies like telephones
- Radio stations

- ❖ The radio is the most widely used means of communication in Uganda
- Examples of radio stations

- ❖ CBS
- ❖ Radio samba
- ❖ Kingdom Fm
- ❖ Sanyu Radio Fm
- ❖ Radio star
- ❖ UBC radio
- ❖ Voice of Africa

Qn: Why is the radio the most widely used means of communication in Uganda?

- ❖ It is cheap
- Televisions stations in Uganda

- ❖ UBC
- ❖ NBS
- ❖ Bukedde TV
- ❖ NTV
- ❖ Dreams TV
- ❖ Stars
- ❖ Salt TV
- ❖ Delta TV

Examples of Newspaper in Uganda

- ❖ The New vision
- ❖ The daily monitor
- ❖ The red pepper
- ❖ The East African
- ❖ Etop
- ❖ Orumuli
- ❖ Rupinyetc

Telecommunication companies in Uganda

- ❖ MTN - Mobile Telephone Network
- ❖ Airtel
- ❖ Africel

- ❖ K₂ Telecom

- ❖ Uganda Telecom

Places where we get communication services

- ❖ Radio stations

- ❖ Televisions

- ❖ Post offices

Education service

- ❖ Education is the acquisition of knowledge and skills

Types of education

- ❖ Formal education

- ❖ Informal education

Formal education

- ❖ This is the type of education got from schools

People who provide formal education

- ❖ Teachers

- ❖ Lecturers

- ❖ Tutors

- ❖ Professors

Informal education

- ❖ This is the type of education got from home

- ❖ It is provided by parents, relatives and elders

Skills taught under informal education

For boys

- ❖ Hunting

- ❖ Grazing

- ❖ Building

- ❖ Taking care of the families

For girls

- ❖ Cooking

- ❖ Fetching firewood

- ❖ Peeling

- ❖ Taking care of babies

LEVELS OF FORMAL EDUCATION

i) Nursery schools

ii) Primary schools

iii) Secondary schools

v) Vocational schools

vi) Teachers colleges

vi) Tertiary institutions

vii) Universities

Qn: Examples of neighboring primary schools

- ❖ Kawotto Saviours P/S
- ❖ Kitende modern P/s
- ❖ Kitende C/U
- ❖ Rockford etc.

U.P.E

- ❖ U.P.E stands for Universal Primary Education

Qn; Why was U.P.E introduced

- i) To fight against illiteracy
- ii) To promote girl child education
- iii) To create employment
- iv) To fight poverty

Problems facing U.P.E

- ❖ Delay of UPE funds
- ❖ Shortage of furniture
- ❖ Shortage of classrooms
- ❖ Few teachers in schools
- ❖ Shortage of scholastic materials

Write the following in full

USE

- ❖ Universal Secondary Education

PLE

- ❖ Primary Leaving Examination

UNEB

- ❖ Uganda National Examination Board

Universities

- ❖ It is the highest level of education

Examples of universities in Uganda

- ❖ Makerere University
- ❖ Kyambogo university
- ❖ Nkumba university
- ❖ Gulu university
- ❖ Nkozi university
- ❖ UCU university
- ❖ Kabale university

N: B Makerere is the main university in Uganda

Places where we get education services

Schools

Security service

Groups of people who provide security service

- i) The police
- ii) The army
- iii) Local defense Unit (LDU)
- iv) Prison officers

The police

The main work of the police is to maintain law and order

How does police maintain law and order?

- i) By arresting law breakers
- ii) By guarding important places and officers
- iii) By controlling traffic
- iv) By stopping big fives
- v) By escorting very important people (VIP)

Qn: What title is given to the head of Uganda police?

- ❖ Inspectors General of Police (IGP)

Qn: Who is the current inspectors General of Police in Uganda

- ❖ Martin Okoth Ochola

The army

- ❖ The Uganda people's defense forces (UPDF) is Uganda's national army

Duties of army

Defends the country against its enemies

It keeps people and their property

Prison officers

- ❖ They keep law breakers in safe custody
- ❖ They take suspects to court for trial
- ❖ They help prisoners to become responsible citizens

Qn: How does Uganda prison help prisoners to become responsible citizens

- ❖ They teach them practical skills

Places where we get security service

- ❖ Police stations – barracks

Banking service

- ❖ Banking is a system of keeping money safe.

What is a bank?

A bank is a place where money is kept safely

Types of banks

- i) Central bank/ bank of Uganda (BOU)

ii) Commercial banks

CENTRAL BANK

- ❖ Central bank is also known as Bank of Uganda

Duties of central bank

- ❖ It prints new currencies
- ❖ It controls commercial banks
- ❖ Give loans to commercial banks
- ❖ It controls money in circulations

N: B

- ❖ The title given to the head of Bank of Uganda is governor
- ❖ Emmanuel Mutebile is the current governor of the bank of Uganda

Commercial banks

- ❖ These are banks which keep people's money Safely

Examples of commercial banks

- ❖ Stanbic bank
- ❖ DFCU
- ❖ Equity bank
- ❖ Centenary bank
- ❖ Housing Finance Bank
- ❖ Tropical Bank
- ❖ Eco bank
- ❖ Absa bank
- ❖ Diamond trust
- ❖ Post Bank

Importance of commercial banks

- ❖ They keep people's money safely
- ❖ They give loans
- ❖ They keep people's documents
- ❖ They give financial advice to people

Examples of documents kept in Banks

- ❖ Land title
- ❖ Will
- ❖ Academic documents

Qn: What title is given to the head of commercial banks?

- ❖ Manager

Places where we get banking services

- ❖ Banks

❖ Post offices

Health services

Examples of people who provide health services

- i) medical doctors
- ii) Nurses
- iii) Mid wives

health workers and their duties

Health workers	Duties
Nurses	Takes care of patients Gives first aid
Mid wives	Help pregnant women to give birth
Surgeon	Operate patients
Oculists	Treats eyes
Optician	Checks and examines eyes
Dentist	Treats teeth

Places where we get health services

- ❖ Clinics
- ❖ Hospitals
- ❖ Pharmacies
- ❖ Health centres
- ❖ Dispensaries
- ❖ Drug shops

Problems faced by the government while providing social services

- ❖ Shortage of funds
- ❖ Poor transport
- ❖ Ignorance
- ❖ High population
- ❖ Corruption
- ❖ Shortage of skilled labour

Possible solutions to the challenges

- ❖ Building of more health centres
- ❖ Constructing new roads
- ❖ Enough scholastics materials should be given to school children
- ❖ Building more boreholes

Topical questions

1. What are social services?
2. Mention any four social services

3. Write down any two social services provides
4. List down any two-social service centres in our town council
5. What is transport
6. Mention any three types of transport
7. Identify any two importance of transport
8. Write down any four means of road transport
9. Name the two types of roads used in your town council
10. Give any three causes of road accidents
11. Draw these road signs
 - a) Round about
 - c) No parking
 - b) Zebra crossing
 - d) Parking
12. What is communication
13. Name four modern means of communication in your town council
14. Why is a television not commonly used in villages?
15. Write UPE in full
16. Which social service is provided in hospitals and clinics
17. What is the special name given to a vehicle which takes sick people to the hospital?
18. Match these people with their work correctly

A Oculist Dentist Surgeon Optician Doctor	B Operates patients treats patients Examines people's eyes Treats our eyes treats our teeth
--	--

 - a) Oculist -
 - b) Dentist -
 - c) Surgeon -
 - d) Optician -
19. Mention the biggest referral hospital in Uganda

LIVING THINGS IN OUR TOWN COUNCIL

These are two main groups of living things namely

i) Plants

ii) Animals

Animals

Animals are grouped into two types

i) Domestic animals

ii) Wild animals

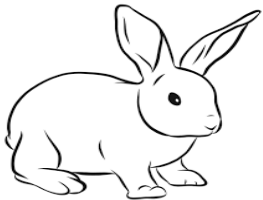

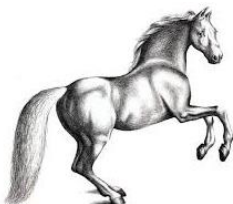

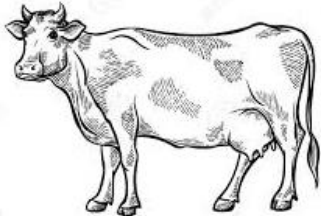

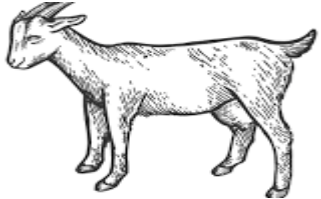

Domestic animals

What are domestic animals?

❖ These are animals kept at home

Examples of domestic animals

- ❖ Cows
- ❖ Goats
- ❖ Pigs
- ❖ Goats
- ❖ Cats
- ❖ Donkeys
- ❖ Oxen
- ❖ Camels
- ❖ Horses
- ❖ Sheep

		
Dog	Cat	Rabbit
		
Horse	Cow	Goat

Uses of domestic animals

Animals	Uses
Cows	❖ For milk, hides and skins ❖ horn beer (meat) ❖ Manure, for paying bride price ❖ source of income
Goats	❖ For milk and meat ❖ source of income ❖ dung ❖ paying bride price
Sheet	❖ source of income ❖ for mutton, wool ❖ for cultural practices like sacrifices
Dogs	❖ For protection (guards our homes) ❖ source of income
Cats	❖ Chase away rats ❖ they are kept as pets
Oxen	❖ For ploughing and transport
Donkeys, camels and horses	❖ for transport

Dangers of domestic animals

- ❖ They destroy people's crops
- ❖ Their dung makes our compounds dirty
- ❖ They make a lot of noise in homes
- ❖ There vectors that spread diseases to people
- ❖ Mad dog spreads rabies to people

Ways of caring for domestic animals

- ❖ By treating the sick animals
- ❖ By proper feeding
- ❖ By providing shelter (habitats)
- ❖ By cleaning their habitats
- ❖ By protecting them for predators

Exercises

1. Identify the habitats of these animals
 - a) cow
 - b) Horse
 - c) pig
 - d) Rabbit

- e) Lion
- f) Bees
- g) Birds
- 2. How can dogs be a problem to people

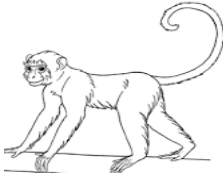

WILD ANIMALS

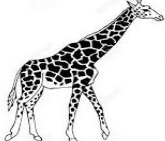

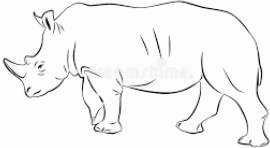

What are wild animals?

- ❖ These are animals which live in forests, bushes and in water

Examples of wild animals

- ❖ Snakes
- ❖ Rhinos
- ❖ Baboons
- ❖ Elephants
- ❖ Lions
- ❖ Wolf
- ❖ Antelopes
- ❖ Crocodiles
- ❖ Leopards
- ❖ Giraffe
- ❖ Monkeys
- ❖ Buffaloes

		
Snake	Lion	Monkey

		
Crocodiles	Giraffe	Rhino

- ❖ Wild animals are kept in special places called game parks, game reserves and zoos

- ❖ An example of a zoo in Uganda is the wild life Education Centres (UWEC) at Entebbe

Examples of game parks in Uganda

- ❖ Murchison falls National game park
- ❖ Kidepo Valley national game park
- ❖ Lake Mburo
- ❖ Queen Elizabeth National Game park

Uses of wild animals

- ❖ They promote tourism
 - ❖ Some provide meat e.g. Hippos, antelopes and buffalos
 - ❖ Animals in the zoo are used for study purpose
 - ❖ Some wild animals provide hides and skins e.g. snakes, lions, leopards
- Qn: Who is a tourist?
- ❖ Is a person who goes to a place of interest for pleasure or study purpose

N: B These tourists pay money to our country called Foreign exchange/ forex

Dangers of wild animals

Some wild animals destroy peoples crops e.g monkeys

Some wild animals kill people and domestic animals

Some wild animals spread diseases to people

Ways of caring for wild animals

- ❖ By treating the sick animals
 - ❖ By proper feeding
 - ❖ Protect them from poachers
 - ❖ Be kind to them
 - ❖ Keep them in game parks and zoos
- Who are poachers?
- ❖ Are people who kill wild animals in game parks
- What is poaching?
- ❖ Poaching is the illegal hunting of wild animals in game parks

Reasons why people hunt wild animals in game parks

- ❖ To get food(meat)
- ❖ For income
- ❖ To get skins and hides

Things made out of skins and hides

- ❖ Bags
- ❖ Belts
- ❖ Shoes

- ❖ Drums
- ❖ Wallets

Draw these

		
Drums	Shoes	Bag

BIRDS

- ❖ These are two types of birds namely:

- Domestic birds
- Wild birds

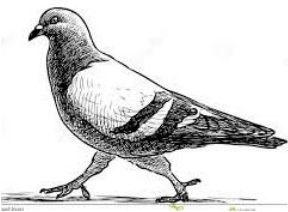

Domestic birds

- ❖ These are birds kept in people's homes

Examples of domestic birds

- ❖ Chicken (Hens, cocks and chicks)
- ❖ Pigeons
- ❖ Turkeys

Draw these

		
Pigeon	Cock	Turkey

Uses of domestic birds

- ❖ They provide eggs
- ❖ They provide meat
- ❖ They provide feathers for decoration
- ❖ People sell money to get income
- ❖ They are cultural purpose like sacrifice

Ways of caring for domestic birds

- ❖ By treating the sick birds
- ❖ BY Proper feeding

- ❖ By providing shelter(habitat)
- ❖ By cleaning their habitats
- ❖ By protecting domestic birds from bad people and wild animals

WILD BIRDS

- ❖ These are birds that live in forests bushes and near water bodies

Examples of wild birds

- ❖ Sunbirds
- ❖ Sparrows
- ❖ Crested cranes
- ❖ Kites
- ❖ Weaverbirds
- ❖ Swallows
- ❖ Eagles
- ❖ Parrots
- ❖ Owls
- ❖ Doves
- ❖ Peacocks
- ❖ Robins
- ❖ Marabou storks
- ❖ Ostriches

		
Owl	ostrich	Parrot

❖

		
Eagle	sun bird	Kite

Uses of wild birds to people

- ❖ Some provide eggs
- ❖ Some provide meat
- ❖ Some provide feathers for decoration

- ❖ Some are domesticated as pets
- ❖ Some help in pollination like sunbirds

Qn: Which wild animals is Uganda national emblem?

- ❖ Crested crane

Ways of caring for wild bird

- ❖ By treating the sick birds
- ❖ By feeding them
- ❖ Avoid unnecessary killing of birds

Dangers of domestic birds and wild birds

- ❖ They destroy people's crops
- ❖ They make a lot of noise
- ❖ Birds litter our compounds with droppings
- ❖ They spread vectors like fleas
- ❖ Birds spread diseases like bird's flu to people

Qn: Why should domestic birds be given enough food?

- ❖ To grow fast
- ❖ To increase on egg production

Domesticated animals and birds

Qn: What are domesticated animals?

- ❖ These are wild animals which have been tamed by people

Examples of domesticated animals

- ❖ Apes
- ❖ Elephants
- ❖ Monkeys
- ❖ Chimpanzees

Qn What are domesticated birds?

- ❖ These are wild birds which have been tamed by people

Examples of domesticated birds

- ❖ Parrots
- ❖ Geese

- ❖ Doves
- ❖ Peacocks
- ❖ Flamingos
- ❖ Guinea fowls

Reasons why people keep domesticated animals and birds

- ❖ They are kept as pets
- ❖ For meat
- ❖ Some birds are for eggs
- ❖ They sell them to get money

Farming

- ❖ Farming is the growing of crops and rearing of animals

Plants

- ❖ Plants grown and cared for by people are called crops

Types of crops

a) Food crops

b) Cash crops

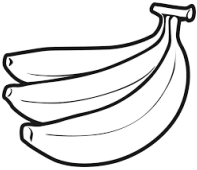

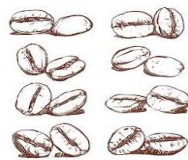

Food crops

Qn:What are food crops?

- ❖ Food crops are crops grown mainly for food

Examples of food crops include;

- ❖ bananas
- ❖ Rice
- ❖ Millet
- ❖ Cassava
- ❖ Groundnuts
- ❖ Maize
- ❖ Tomatoes
- ❖ Beans
- ❖ Potatoes
- ❖ Yams
- ❖ Simsim

		
Banana	Maize	Beans

CASH CROPS

What are cash crops?

Cash crops are crops grown for sale

Examples of cash crops include

Coffee

Cotton

Tobacco

Tea

Cocoa

Vanilla

Oil palm

Sisal

Sugarcanes

Wheat

Cotton

Tobacco

Sisal

Coffee

Sugarcanes

Oilpalm

Ways of caring for crops

- ❖ By weeding
- ❖ By spraying
- ❖ By mulching
- ❖ By staking

- ❖ By watering them
- ❖ By thinning
- ❖ By pruning

Uses of cash crops

- ❖ They are sold to get money
- ❖ They are used as raw materials
- ❖ They create jobs for people
- ❖ They promote trade

Products got from cash crops

Cash crops	Products
Cotton	Clothes, threads, cottonwool
cotton seeds	soap, cooking oil, animals' cakes
Coffee	soft drinks (beverages) coffee husks, gun powder
Tea	Beverages
Tobacco	Cigarettes, cigar, snuff
Cocoa	Beverages, chocolate, body jerry (cocoa butter) soft drinks
Sisal	Soft drinks(beverages) spices
Oil palm	Cooking oil, soap, palm wine
Pyrethrum	Insecticides
Sugarcane	sugar, sweets, molasses, spirits
Cloves	Perfumes, spices
Rubber tree (latex)	Car tyres, balloons, cloves, condoms, balls, erasers, rubber bands
Sisal	Doormats, ropes, sacks, bags

Managing resources in our town council

What are resources?

- ❖ A resource is anything from the environment meets man's needs

Examples of basic resources in our environment

- ❖ Water
- ❖ Land
- ❖ Minerals
- ❖ Time
- ❖ Animals
- ❖ Fuel
- ❖ Air

- ❖ Plants
- ❖ Money
- ❖ Sun

Water

Sources of water

- ❖ These are two types of water sources namely

- a) Natural sources
- b) Manmade sources

Examples of a natural source of water

- ❖ Rain, is the main source of water
- ❖ Lakes
- ❖ Swamps
- ❖ Rivers
- ❖ Seas
- ❖ Oceans
- ❖ Streams

Qn: Why is rain the main natural source of water

- it gives water to other sources

Examples of man-made sources

- ❖ Wells
- ❖ Boreholes
- ❖ Ponds
- ❖ Valley dams
- ❖ Springs
- ❖ Man-made lakes

Qn: Name any three safe sources of water

- ❖ Boreholes
- ❖ Protected wells
- ❖ Protected springs
- ❖ Rain

Uses of water as a resource

- ❖ Water is used for cooking
- ❖ Water is used for washing utensils
- ❖ Water is used for mopping houses
- ❖ Running water is used to produce hydro electricity
- ❖ Water is used for cooling engines

- ❖ Water is used as a raw material for making drinks like soda and beers

Qn: Write down two domestic uses of water

Qn: State any two industrial uses of water

Qn: Name any one industry that uses water to make drinks

FOOD

What is food?

- ❖ Food is anything that people eat or drink

Sources of food

- ❖ Water bodies
- ❖ Gardens
- ❖ Markets
- ❖ Animals
- ❖ Super markets
- ❖ Shops

Uses of food as resources

- a) Food gives us energy
- b) Food builds our bodies
- c) Food is sold to get money
- d) Food helps our bodies to be healthy

Qn: Give four examples of useful insects

- ❖ Grasshoppers
- ❖ White ants
- ❖ Bees
- ❖ Butterflies

Qn: Give four examples of harmful insects

- ❖ Mosquitoes
- ❖ Houseflies
- ❖ Wasps
- ❖ Bees
- ❖ Fleas
- ❖ Cockroaches

FUEL

What is a fuel?

- ❖ Fuel is anything burnt to produce lights and heat

Examples of fuels

- ❖ Charcoal
- ❖ Firewood
- ❖ Paraffin
- ❖ Coal
- ❖ Diesel
- ❖ Electricity
- ❖ Bio gas
- ❖ Petrol etc.

Types of fuel

- ❖ Wood fuel
- ❖ Fossil fuel

Uses of fuel as a resource

- ❖ Petrol and diesel used in vehicles
- ❖ Firewood and charcoal are used for cooking
- ❖ Coal and electricity are used to run machines

Places where people can get fuel

- ❖ Forest
- ❖ Fuel stations

MONEY AS A RESOURCE

- ❖ Money is an acceptable medium of exchange

Uses of money as a resource

- ❖ Money is used for paying school fees
- ❖ Money is used for buying food
- ❖ Money is used for buying clothes
- ❖ Money is used for paying water bills
- ❖ Money is used for paying electricity bills

Types of money

- i) Coins
- ii) Paper notes

Coins

- ❖ 100
- ❖ 200
- ❖ 500
- ❖ 1000

Paper notes

- ❖ 1000
- ❖ 2000
- ❖ 5000

- ❖ 10,000
- ❖ 20,000
- ❖ 50,000
- ❖ The biggest note is 50,000 while the smallest is 1000/=

Ways how people get money

- ❖ By trading
- ❖ Through working to get salary
- ❖ Through loans
- ❖ Through donations

Ways people keep their money safe

- ❖ In banks
- ❖ In SACCOs
- ❖ By using mobile money
- ❖ Through insurance companies

Bad ways of getting money

- ❖ Through theft
- ❖ Through prostitution
- ❖ Through committing murder
- ❖ Through bribery

Land as a resource

- ❖ This is the major resources on earth.

Uses of land as a resource

- ❖ Land is used for building houses
- ❖ Land is used for crop growing
- ❖ Land is sold to get money
- ❖ Land is used to construct buildings

Time as a resource

- ❖ Time helps us to plan for all the activities

Activities which need time

- ❖ Cleaning the school
- ❖ Assembly
- ❖ Lessons
- ❖ Praying

Farmers activities which need time

- ❖ Clearing the land
- ❖ Harvesting
- ❖ Planting the crops

N: B Poor management of time may result into

- ❖ Poor results
- ❖ Failure of crops
- ❖ Poverty

Plants(forests) as a resource

- ❖ A forest is a large group of trees growing together on the same piece of land

Importance of forests

- ❖ Forest provide wood fuel
- ❖ Forests are sources of herbal medicine
- ❖ They are sources of food
- ❖ They help in rain formation
- ❖ They are habitats for animals
- ❖ Forests provide timber

Dangers of forests

- ❖ They are breeding places for vectors
- ❖ They harbor dangerous wild animals
- ❖ They are hiding places for wrong doers
- ❖ They make road construction difficulty

Wind as a resource

Qn: What is wind?

- ❖ Wind is moving air

Uses of wind

- ❖ It helps farmers in winnowing
- ❖ It helps in rain formation
- ❖ It helps to move boats
- ❖ It helps in pollination
- ❖ It dries our clothes

Dangers of wind

- ❖ Strong wind causes soil erosion
- ❖ It speeds up the spread of diseases
- ❖ Strong wind destroys people's houses

SUN AS A RESOURCE

Uses of sun to people in our town council

- ❖ It dries people's clothes
- ❖ It helps plants to make their own food

- ❖ It provided vitamin D.
- ❖ Provided light
- ❖ Dries ready crops in the garden
- Dangers of the sun
- ❖ Dries up sources of water
- ❖ Dries pastures for the animals

SAVING RESOURCES

Qn:What is resource saving?

- ❖ This is a way of keeping resources for future use
- ❖ We keep resources e.g. food, money fuel, etc
- ❖ For future use

Ways of saving resources

- ❖ Keeping money in banks
- ❖ Preserving food
- ❖ Repairing
- ❖ Switching off lights when not in use
- ❖ Using energy saving lights and stoves
- ❖ Preparing enough food
- ❖ Planting crops and trees
- ❖ Budgeting for our money
- ❖ Recycling

Reasons why we save resources

- ❖ For future use
- ❖ We save resources to meet our needs
- ❖ To avoid wastage
- ❖ To buy basic needs
- ❖ To become rich

Keeping records

- ❖ This is the way of keeping information on how resources are used

Examples of records kept

- ❖ Income records
- ❖ Bank slips
- ❖ Water and electricity bills
- ❖ Project records etc

Reasons for keeping records

- ❖ To tell how much is spent and saved
- ❖ To know the income

- ❖ To know how much is needed in a family or school
- ❖ For future reference

Qn; Define the term saving

Qn: How can resources be saved?

SPENDING RESOURCES

- ❖ This is the way of using resources to meet our needs

Things we use and spend on

- ❖ Food
- ❖ Cars
- ❖ Close
- ❖ Fuel
- ❖ School
- ❖ Water
- ❖ House rent
- ❖ Electricity
- ❖ Building
- ❖ Furniture
- ❖ Bedding
- ❖ Transport
- ❖ Medical care

Ways of spending wisely

- ❖ By budgeting
- ❖ By negotiating
- ❖ Making a workplan
- ❖ By comparing prices
- ❖ By comparing quality
- ❖ By making a price list

Why do we need to spend resources wisely?

- ❖ To avoid wastage
- ❖ To safe for the future

Projects

- ❖ A project is an activity done to get knowledge, skills and money

Examples of projects

- ❖ Bee keeping
- ❖ Craft farming
- ❖ Fish farming
- ❖ Vegetable growing
- ❖ Cattle rearing

- ❖ Poultry keeping

- ❖ Brick making

- ❖ Tree planting

Things needed to begin a project

- ❖ Money/ capital

- ❖ Time

- ❖ Space land

- ❖ Labour

- ❖ Knowledge skills

Ways of managing a project

- ❖ Being committed

- ❖ Recording and keeping records

- ❖ Being patient

- ❖ Checking on the project

Qn: Define a project

Qn: Mention any three examples of projects one can do

KEEPING PEACE IN OUR TOWN COUNCIL

QN: What is peace?

- ❖ Peace is a state when there is no war or violence in an area

Indicators /signs of peace (What shows that people in area are peaceful)

- ❖ Cooperation

- ❖ Respect of human rights

- ❖ Respect of one another

- ❖ Observing laws

- ❖ No theft

- ❖ Having no fights

- ❖ Having no quarrels

Security

- ❖ It is a state of being free from dangers

Insecurity

- ❖ Insecurity is the state of being subject to danger

Causes of insecurity in an area

- ❖ Unemployment

- ❖ Poverty

- ❖ High population

- ❖ Moral decay /disrespect

- ❖ Wars

❖ Famine

Ways of living in peace

- ❖ Obeying rules and regulations
- ❖ Respecting one another
- ❖ Praying for one another
- ❖ Praying for one another
- ❖ Working together
- ❖ Respecting one another
- ❖ Helping one another in times of trouble
- ❖ Following good teaching
- ❖ By promoting of food security

Importance of living in peace

- ❖ Peace promotes development
- ❖ It brings trust among peace
- ❖ It brings happiness among people

Dangers of insecurity

- ❖ It causes of child abuse
- ❖ It causes neglect
- ❖ It causes death
- ❖ It causes enmity
- ❖ It causes poverty
- ❖ It causes loss of property
- ❖ It caused famine
- ❖ It causes theft

People who cause insecurity

- ❖ Thieves
- ❖ Rapists
- ❖ Kidnappers
- ❖ Murderers
- ❖ Idlers
- ❖ Rebels
- ❖ Witches

Things used to promote peace in our town council

- ❖ Baton
- ❖ Gun
- ❖ Dog
- ❖ Bows and arrows

- ❖ Sticks
- ❖ Tears gas
- ❖ Coloured water

Qn; Mention any two ways how a P.3 pupil can promote peace and security in his / her town council

- ❖ By reporting wrong doers
- ❖ By respecting rules and regulations
- ❖ By guiding walking at night
- ❖ By being discipline/. respecting one another

CHILDREN'S RIGHT

- ❖ Children's rights mean the natural freedom children must enjoy
Who is a child?
- ❖ A child is anybody below eighteen (18) years of age

Examples of children's right

- ❖ A right to education
- ❖ A right to life
- ❖ A right to medical care
- ❖ A right to equal treatment
- ❖ A right to belong to a family
- ❖ A right to be loved
- ❖ A right to have a name
- ❖ A right to know one's parents
- ❖ A right to talk freely but with respect
- ❖ A right to food
- ❖ A right to shelter
- ❖ A right to clothes
- ❖ A right to play

People who protect children's right

- ❖ Police
- ❖ Parents/guardians
- ❖ Local council members
- ❖ Judges /lawyers
- ❖ Journalists

Qn: Which LC 1 member is in charge of children's right

- ❖ The vice chairperson

- ❖ The National Council for children (NCC) Oversees that children's right are Observed in Uganda

Importance of children's right

- ❖ They enable children to have a bright future
- ❖ They protect children's interests
- ❖ They help children to grow healthy physically and mentally
- ❖ They also help children to grow confidently
- ❖ They are also used to pass judgement to a person who violates them

CHILD ABUSE

Qn: What is child abuse?

- ❖ Child abuse is the violation of children's right
or
- ❖ Child abuse is the denial of children's rights
or
- ❖ Child abuse is the mistreating of children by others

Common forms /types of child abuse

- a) Physical abuse
- b) Sexual abuse
- c) Mental abuse

Physical abuse

- ❖ This involves putting injuries or pain to a child
- ❖ Burning children
- ❖ Child labour
- ❖ Child battering
- ❖ Child sacrifice

Sexual abuse

- ❖ Defilement
- ❖ Early marriages
- ❖ Bad touches
- ❖ Oral kisses
- ❖ Using of Obscene words

Mental/ Psychological /emotional abuse

- ❖ Bullying and teasing
- ❖ Harassing a child
- ❖ Intimidating(threatening)

Child neglect

This is the failure by parents to provide basic needs to their children

Child neglect practices

- ❖ Denial of clothes
- ❖ Denial of shelter
- ❖ Denial of education
- ❖ Denial of food

Examples of children abuse practices

- ❖ Child labour
- ❖ Child battering
- ❖ Child sacrifice
- ❖ Defilement
- ❖ Early marriage
- ❖ Harassing a child
- ❖ Denial of education
- ❖ Denial of food
- ❖ Denial of clothes
- ❖ Denial of shelter

People who abuse children's right

- ❖ Some teachers
- ❖ Some parents
- ❖ Some relatives
- ❖ Some maids
- ❖ Peers and siblings
- ❖ Mentally disturbed e.g. drug addicts

CAUSES OF CHILD ABUSE

- ❖ The major causes of child abuse are
 - ❖ Poverty

When there is lack of money it is difficult to provide a child with basic needs

- ❖ Alcoholism

Some drunken parents burn, beat and lock out children

- ❖ Broken families

When parents separate, children are at times mistreated by step – parents

- ❖ Death of parents

When parents die, children are left to suffer as orphans

❖ Wars

Wars causes insecurity and, in the process, some children are enslaved, defiled and homes are destroyed

❖ Indiscipline among children

Badly behaved children end up being punished and they run away from home

❖ Early children marriage

Some cultures force children to marry

Qn. Outline three causes of child abuse at home

Ways of controlling child abuse

- ❖ Parents should avoid alcoholism
- ❖ Teaching adults about children's right
- ❖ Resettling orphans and streets children
- ❖ Imprisoning people who abuse rights of children
- ❖ Parents should work hard to provide need for their children
- ❖ Discouraging divorce /separation of parents
- ❖ Teaching morals manners in society

N.B. Children who commit offences are taken to juvenile courts

Qn. Suggest three ways of controlling child abuse in Uganda

Qn. How are juvenile courts important?

Responsibilities of children at school

- ❖ Respecting prefects, teachers and fellow pupils
- ❖ Obeying school rules and regulations
- ❖ Clearing the class
- ❖ Caring for school property
- ❖ Participating in class and school activities
- ❖ Electing leaders like prefects and class monitors etc.

Responsibility of children in country /community

- ❖ Respecting the laws of their country
- ❖ Respecting the leaders
- ❖ Having love for one's country (patriotism)

Qn: How can children support their families economically

- ❖ They sell in shops
- ❖ Some children have goods
- ❖ Protecting family wealth

P.3 TERM THREE (3) LITERACY 1A

GENDER AND CULTURE IN OUR TOWN COUNCIL:

CULTURE

Qn: What is culture?

Culture refers to social norms of a given society

Aspects/components/examples of culture

- ❖ Language
- ❖ Child naming
- ❖ Cultural dance
- ❖ Cultural wear
- ❖ Circumcision
- ❖ Traditional food
- ❖ Religion/ beliefs
- ❖ Greeting
- ❖ Tattooing
- ❖ Twin celebration
- ❖ Burial ceremony

Qn: What are cultural practices?

- ❖ Customs are the accepted behaviours in a given society

Examples of customs

Language

Genital mutilation e.g. among the Sabiny

Child naming

Male circumcision e.g. among the Bagisu

Marriage

Cultural dance

MARRIAGE

Qn: What is marriage?

This is the legal union of a man and a woman as a husband and wife

Types of marriages

- i) Religious marriage
- ii) Customary /traditional marriage
- iii) Civil Marriage

a) Religious marriage

- ❖ This is the type of marriage which is conducted by religious leaders
- ❖ It takes place in the church, mosque or temple

Symbols of religious marriage

- ❖ Wedding ring

- ❖ Marriage certificate

Qn: Mention any one group of people who officiate religious marriage

- ❖ Pastors
- ❖ Imams
- ❖ Priests

b) Customary/ traditional marriage

- ❖ This is the type of marriage which is conducted basing on the culture of a given society
- ❖ The groom takes bride wealth to girls' parents before taking the girls for marriage
- ❖ It can also be called cultural marriage

Qn: What is bride price?

- ❖ These are items given to the bride's family by the groom before taking the bride for marriage
- ❖ It is also called bride wealth

Examples of bride price/bride wealth

- ❖ Cows
- ❖ Goats
- ❖ Cocks
- ❖ Clothes
- ❖ Fruits
- ❖ Beers
- ❖ Alcohol
- ❖ Food itemse.g. bananas
- ❖ Vegetables

c) Civil Marriage

- ❖ This is the type of marriage that is officiated by the CAO

Symbols of civil marriage

- ❖ A marriage certificate

Qn: Write CAO in full

- ❖ Chief Administrative Officer

Activities done during marriage ceremonies

- ❖ The bride groom unveils the bride
- ❖ Making vows
- ❖ Cutting/ slicing a cake
- ❖ Special matching for bride and the bride groom
- ❖ Cooking and serving of food

- ❖ Giving a marriage certificate
- ❖ Giving each other a ring as a sign of a marriage
- Reasons why people marry
- ❖ To produce children
- ❖ To get company
- ❖ To be respected
- ❖ For sexual satisfaction

Qualities of a good marriage partner

- ❖ She/he should be kind
- ❖ She/he should be respectful
- ❖ She/he should be God fearing
- ❖ She/he should be health
- ❖ She/he should be loving
- ❖ She/he should be trustworthy

Problems in Marriage

- ❖ Divorce separation of married partners/couples
- ❖ Poverty
- ❖ Adultery
- ❖ Bareness
- ❖ Quarrels
- ❖ Alcoholism
- ❖ Child buse

Qn: What is divorce?

- ❖ This is separation of married partners/couples

Qn: State any three causes of divorce

- ❖ Adultery
- ❖ Bareness
- ❖ Poverty
- ❖ Indiscipline
- ❖ Witches

Effects of divorce of children

- ❖ Lack of parental love
- ❖ Lack of basic needs
- ❖ Abuse of children by step parents
- ❖ Children go to streets
- ❖ School dropouts

Activity

1. At what age is a man allowed to marry?
2. What does a man pay to the girls' parents before marriage?
3. How is the introduction ceremony called in your tribal languages?
4. Mention any four things a man takes to the woman's parents e.g gifts during introduction ceremony
5. State any one importance of paying dowry

GREETING

- ❖ In most tribes, males great while standing upright while females knell down

Qn: Why do most females kneel down while greeting?

- ❖ It is a sign of respect

Ways of greeting

- ❖ By handshaking
- ❖ By waving
- ❖ By hugging/ pecking

Why do people greet? (importance of greeting)

- ❖ To show respect
- ❖ To promote unity
- ❖ To promote friendship
- ❖ To show love and care
- ❖ To promote culture

Dressing / traditional dressing

- ❖ Different tribes have different traditional wears

A table showing tribes and traditional wear

Tribe	Traditional wear
Baganda	Women – Gomesi Men - Kanzu
Basoga	Women – Gomesi Men - Kanzu
Banyoro	Women - Esuka Men - Kanzu
Banyankole	Women - Mushanana Men - Kanzu
Karimojong	Women – beads men - beads
Batooro	Women - Mushanana men - Kanzu

Importance of cultural dressing

- ❖ It promotes culture
- ❖ It promotes unity
- ❖ It shows respect for the elders

Examples of modern clothes

- ❖ Suits
- ❖ Blouses
- ❖ Skirts
- ❖ Leggings
- ❖ Jackets
- ❖ Coats
- ❖ Neckties
- ❖ Handkerchiefs

Qn: Draw the following nears /clothes

- a) A pair of shorts
- b) A jacket
- c) A blouse
- d) A Skirt

Why do people wear clothes

- ❖ For privacy
- ❖ For warmth
- ❖ To promote culture
- ❖ To be smart
- ❖ For easy identification

Activities

1. Why do people greet?
2. Mention the traditional wear for these tribes
 - a) Baganda women
 - b) Karimojongs
 - c) Banyankole men
 - d) Banyoro women
3. State any three seasons why to people wear clothes
4. Why do people wear uniforms?
5. Write one style of greetings

Traditional dishes/ staple

- ❖ This is type of food which commonly eaten by people in a community

Traditional dishes /staple food for different tribes

Tribe	Staple food
Baganda	Matooke
Basoga	Sweet potatoes and Groundnuts

Alur	Millet, sorghum and cassava flour
Acholi	Millet, cassava flour
Bagisu	Matooke and Amalewa
Banyankole	Millet and Matooke
Banyoro	Millet
Samia	Millet
Iteso	Millet

Qn: State any two reasons why tribes have staple foods

- ❖ To promote togetherness and for appreciation of culture
- ❖ To promote culture

Food Taboo

- ❖ A taboo is a cultural or religious custom that forbids people to eat certain types of food
- ❖ A food taboo is a forbidden food in a given society

Examples of food taboos

- ❖ Moslems do not eat pork
- ❖ Clans do not eat their totems
- ❖ The seventh day Adventists do not eat pork

Activity

1. Name any three traditional food stuffs grown in your sub county/town council
2. Give any two food taboos practiced in your sub country /town council
3. State the food taboo for Muslims
4. What is a taboo?
5. Why should respect food taboo?

CHILD NAMING

- ❖ Children are named according to tribes, clans and religion
- ❖ Newly born babies are given names by their parents, paternal grandfathers and clan heads
- ❖ Children are named after fallen dear one's physical features of the year or time of the day when the child was born

Meaning of some name

Name	Meaning	Tribe
Kibuuka	War	

Kiwanuka	thunder	Baganda
Walumbe	death	Baganda
Musisi	Earthquake	Baganda
Nabwire	night	Samia
Wabwire	night	Samia
Wanzara	famine(boys)	Samia/Bagisu
Nanzala	famine(girls)	

Importance of child naming

- ❖ To promote culture
- ❖ For easy identification

Twin naming

- ❖ Twins are two children born at the same time by the same mother
- ❖ In different tribes, twins and their parents are given special names

Name of twins	Sex	Tribe
Babirye Nakato	female (first) female(second)	Baganda
Wasswa Kato	Male(firs) Male(second)	
Babirye Kawudha	Female(first) female(second)	Basoga
Waiswa Tenywa	Male(first) Male (second)	
Isingoma Kato	Male(first) male (second)	Banyoro
Nyangoma Nyakato	female(first) female(second)	
Acen Apio	female(first) female(second)	Langi
Ocen Opio	male(first) male(second)	

Title of parents

Title of parents	Sex	Tribe
Ssalongo Nalongo	father of twins mother of twins	Baganda
Isebalongo Nyinabarongo	Father of twins mother of twins	Banyoro
Isabirye Nabirye	Father of twins mother of twins	Basoga

Ishebarongo Nyinebarongo	Father of twins mother of twins	Banyankole Bakiga
-----------------------------	------------------------------------	----------------------

Activity

1.Name any two gifts which can be given to a baby after birth

- ❖ Herbal medicine for bathing
- ❖ Flowers
- ❖ Birthday cards
- ❖ Clothes

2.State one importance of naming

3.Write two activities done during child naming

- ❖ Cooking traditional food stuffs
- ❖ Performing cultural dances and songs

Traditional Dances

- ❖ They are also called cultural dances

Tribe	Traditional cultural dances
Baganda	Nankasa Mbagga Bakisimba Muwogola
Banyoro	Orunyege
Bagisu	Imbalu
Langi	Ikoce
Banyankole	Ekitagururo
Banyoli	Amabega
Acholi	Larakaraka Bwola Lukeme
Samia	Uwaro
Bakiga	Ekizino
Alur	Adungu
Batooro	Orunyege
Iteso	Akogo
Basoga	Nalufuka Irongo Tamenhaibuga

Costumes

These are clothing used by traditional dancers

Examples of costumes

- Feathers
- Bark cloth
- Animal skins
- Gomesi
- Hats
- Suits
- Kanzus

Musical instruments

- ❖ Traditional dances and folk songs are accompanied by different musical instruments

Examples of musical instruments

- ❖ Drums
- ❖ Flutes
- ❖ Thumb piano
- ❖ Pine pipes
- ❖ Xylophone
- ❖ Bow harp
- ❖ Tube fiddle
- ❖ Shakers
- ❖ Lyre

Draw these items;

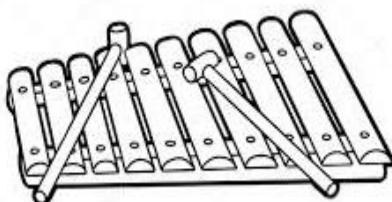

Drum

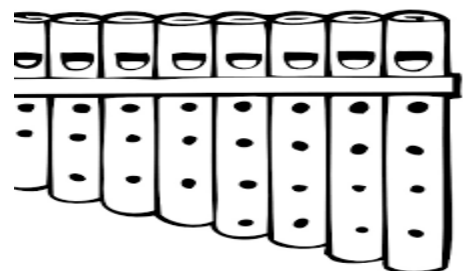

Long drum

xylophones

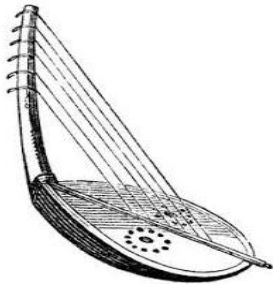

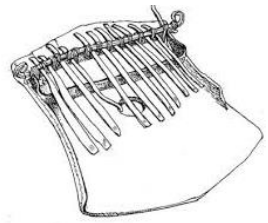

Pine pipes

Shakers

Thumb piano

Bow harp

Reasons why people perform traditional dances

- ❖ For entertainment
- ❖ To promote culture

Occasions when traditional dances are carried out

- ❖ During marriage ceremonies
- ❖ During war
- ❖ During harvesting
- ❖ During death
- ❖ During planting
- ❖ During birth

Burial and funeral ceremonies

- ❖ After the burial, the heir takes full responsibilities over the property of the dead person

Qn: Who is an heir?

- ❖ An heir is a person who has the right to receive the property of the deceased.

Examples of material in which the dead are buried

		
Coffin	Backcloth	Jenneza

Things done when a person dies

- ❖ Making a grave
- ❖ Mourning
- ❖ Giving of condolences
- ❖ Sympathising with the family
- ❖ Cooking local traditional food

N: B Dead bodies are transported in special cars called **hearses**

Materials used in making graves

- ❖ Stones
- ❖ Cement
- ❖ Bricks
- ❖ Tiles
- ❖ Soil
- ❖ Iron sheets
- ❖ Iron bars

Importance of traditions and customs

- ❖ They promote culture
- ❖ They help to unite people
- ❖ They promote discipline
- ❖ They promote working together
- ❖ They promote respect for elders

Note: Customs among people keep on changing as new practices are copied from people with which we relate and associate. However, elders and religious leaders discourage these changes.

Ways of promoting /preserving culture

- ❖ Through organizing music, dance and drama (music galas)
- ❖ Through attending cultural festivals
- ❖ Through attending clan meetings
- ❖ By respecting cultural norms

- ❖ By visiting clan elders
- ❖ By installing and enthroning cultural leaders

Dangers of cultural practices

- ❖ Some practices spread diseases like HIV/AIDS
- ❖ Open circumcisions cause public shame
- ❖ Obscene words and songs are used during twin naming
- ❖ Some name given have bad effects on the children (e.g. Ndikulwange" meaning being alone)
- ❖ Some cultural practices are against human rights (e.g. female genital mutilation)

Activity

Choose the correct word from the box below and complete the story

Kakulu was Mr. Mweru's son who died in a lorry accident when he was sent to buy meat in the nearby town

As people cried and mourned to show _____ to the loved son. The _____ bought the dead body from the mortuary. Old people in the village wrapped the dead body in _____ and put it in a

_____. The youths were digging a grave, a _____

Ceremony started and our _____ prayed for the dead person. it was sad news in our village

Burial, bark cloth, coffin, cement, reverend, sorrow, iron bars, hearse

TOPIC 2: THE CONCEPT OF GENDER

Gender

Gender is the fact of being male or female

Types of gender

- Masculine
- Feminine

Traditional gender roles

In the traditional society males and females played different roles

a) Men(boys)

- ❖ Hunting
- ❖ Fishing
- ❖ Looking after cattle

- ❖ Protecting the family
- ❖ Building shelters

b) Females (girls)

- ❖ Producing children
- ❖ Cleaning the home
- ❖ Taking care of the children and husband
- ❖ Cooking food for the family members

Gender roles in our modern society

- ❖ In our modern society both men /boys and women /girls can share work roles

Activities done by both girls and boys

- ❖ Fetching water
- ❖ Going for fishing
- ❖ Hunting and fishing
- ❖ Sweeping the compound
- ❖ Going for shopping
- ❖ Washing clothes
- ❖ Cooking food
- ❖ Driving
- ❖ Fetching firewood
- ❖ Mopping the house
- ❖ Milking the cows

Unfair gender relations in society

- ❖ Women are used as sex machines by men
- ❖ Boys are considered to be brighter than girls
- ❖ Men are considered to be stronger than women

Gender Equity

- ❖ This is the fair/equal treatment of both boys(males) and girls (female)
- ❖ Work between boys and girls must be divided equally
- ❖ Boys and girls must be given equal rights

Ways of promoting gender equity

- ❖ Fair distribution of work
- ❖ Providing needs to both boys and girls
- ❖ Giving fair punishments to both boys and girls
- ❖ Giving equal opportunities to both boys and girls
- ❖ Allowing both boys and girls to express their feelings freely

- ❖ By educating both the girl and the boy child

What shows that girls and boys are equal?

- ❖ Both boys and girls can excel in studies
- ❖ Both boys and girls are equally bright
- ❖ Girls can do jobs that boys do
- ❖ Both are human beings
- ❖ Both can do all games and sports
- ❖ Both have emotions

Activity

- 1.What is gender?
- 2.State two ways of promoting gender equity in a home
3. What is gender equity?
- 4.Write any three traditional activities for males
- 5.Mention any one type of gender you know

BASIC TECHNOLOGY IN OUR TOWN COUNCIL

Technology

Qn: What is technology?

- ❖ Technology is the use of machines to do work

It is the use of scientific knowledge to do work

Types of technology

- a) Traditional technology
- b) Modern/advanced technology

Traditional technology

This is the use of local equipment like hoes, hands to make things

Modern technology

This is the use of advanced equipment to do work

Natural and artificial materials in our town council
This in our environment are made from natural and artificial material

NATURAL MATERIAL

These are things(substances) got from nature.

Examples of natural material

- ❖ Bananas fibres
- ❖ Palm leaves
- ❖ Clay
- ❖ Sisal
- ❖ Mineral
- ❖ Papyrus
- ❖ Wood
- ❖ Feathers
- ❖ Grass
- ❖ Hides and skins
- ❖ Silk
- ❖ Seeds
- ❖ Cotton

Sources of natural material

Material	Source
Banana fibres	Banana plantation
Sisal and fruits	Plantation
Clay papyrus and palm leaves	swamp
Minerals	mines
Hides and skins	animals

Qn: Identify any three-natural material in our environment

Qn: Where are these materials got?

- i) Sisal
- ii) Minerals

Processing and making things from natural material

Material	Things made/ products
Clay	Pots, cuts, plates stoves, flower vases, charcoal stoves

Palm leaves	mats, bags, hats, baskets
banana fibres	balls, dolls, mats
Wood	stools, tables chairs, cupboards
sisal	ropes, carpet, door mats, boys
Grass	brooms
Iron	arrows, spears, hooks, hoes
beads	necklace, rosaries
Fruits	Juice and salads

Material made out of clay

- ❖ Pots
- ❖ Cups
- ❖ Plates
- ❖ Art work
- ❖ Ventilators
- ❖ Bricks
- ❖ Dishes
- ❖ Teapot
- ❖ Max pan
- ❖ Charcoal stove
- ❖ Vases

Clayas a natural material

- ❖ Clay is a raw material got from swamp
- ❖ Materials made out of clay are called **ceramics**
- ❖ Ceramics are made stronger by burning them in a furnace called **kiln**

Examples of factories that deal in ceramics

- ❖ Uganda clayslimited
- ❖ Lweza clays limited

potters/ceramists

- ❖ A potter(ceramist) is a person who makes pots from clay
- ❖ Pottery is the art of making things out of clay

Things made out of wood

- ❖ Desks
- ❖ Benches
- ❖ Doors
- ❖ Black boards
- ❖ Mingling stick
- ❖ Mortar
- ❖ Pestle

- ❖ cupboard
- ❖ Beds
- ❖ Latrines cover
- ❖ Tables

Qn: Who is carpenter?

This is a person who makes furniture

Things made from banana fibres

- Balls
- Baskets
- Ropes
- Mats
- Baskets
- Roofs
- Roofs of huts

Products made out of skins and hides

- Shoes
- Sandals
- Bags
- Belts
- Wallets
- drums

Things made out of iron

Qn: Who is a black smith?

A black smith is a person who makes things out of iron

Things made by a black smith

- Spears
- Knives
- Hoes
- Arrows
- Hooks
- Pans

Qn; State the raw material used to make the items below;

- a) Ropes: ...
- b) Necklaces: ...
- c) Mats:
- d) Arrows: ...
2. What is pottery?

3. Mention two things we make out of metals

Importance/values of things made from natural materials

- ❖ They sold them for money
- ❖ They are a source of employment
- ❖ Some are worn by people i.e. clothes, skins, hats, jackets

Artificial materials

- ❖ These are things made by people in factories / industries
- ❖ Or
- ❖ These are recyclable substances that can be used to make other things

Examples of artificial materials

- ❖ Wires
- ❖ Plastics
- ❖ Straws
- ❖ Scrap metals
- ❖ Paper
- ❖ Polythene bags
- ❖ Synthetic rubber
- ❖ Bottle tops

Sources of artificial materials

- ❖ Factories
- ❖ Markets
- ❖ Shops
- ❖ Plants like pawpaw for making plastics

Processing and making things from artificial materials

Material	Products
plastic	mugs, plates, dolls, toys
wires	toys, traps
straws	materials, bags, decoration
polythene bags	bags, dolls, balls
paper	bags, envelops, decoration
scrap metal	nails, garden tools like hoes
Bottle tops	toys, abacuses, shakes

CRAFTS

This is the process of making things using local materials by use of hands

2. Examples of crafts

- ❖ Dolls
- ❖ Mats
- ❖ Ropes
- ❖ Vases
- ❖ Stoves
- ❖ Stools
- ❖ Carpets

Draw these items:

hat	sandals	bags

mats	necklace	bracelets

Importance of technology

Qn: How is technology useful to us?

- ❖ it makes work easy
- ❖ It makes life better
- ❖ It increases production of goods

Topical test

1. Give the meaning of the term technology
2. Name any one type of technology
3. Mention the local materials used for making these items;
 - a) Ropes; -----
 - b) pots: -----

- c) necklaces: -----
- d) baskets: -----
- 4. What are crafts?
- 5. How useful is the crafts industry to people
- 6. Who is a blacksmith?
- 7. Which type of technology does a rural potter use?
- 8. How useful is technology in our daily life?
- 9. Of what value is a pot in a home?
- 10. Give the meaning of the term "raw material"
- 11. State two importance of the musical instruments in your town council
- 12. Why do some people plant flowers in their compounds?
- 13. How do children benefit from play time?
- 14. Mention any one play area where Physical Education is done by school children.
- 15. In which one way do people in your community benefit from scrap material.

END

WE LEAD AND OTSHERS FOLLOW
