S5 END OF TERM III EXAMS
INFORMATION COMMUNICATION TECHNOLOGY
2hour

In Uganda, people especially the youth are being taken abroad for employment by several companies. As a youth, prepare a six (6) slide presentation you can use to sensitise the public about working abroad.

- a) Design slides as follows:
 - i) Slide 1: topic presented and details of the presenter.
 - ii) Slide 2: why people go and work abroad?
 - iii) Slide 3: some challenges faced by people working abroad.
 - iv) Slide 4: some benefits of working abroad.
 - v) Slide 5: a bar graph showing statistics of people working abroad
 - vi) Slide 6: a conclusion about people working abroad.

Use the data given below to generate a graph for slide 5.

Country	No. of Ugandan workers
UAE	32000
IRAQ	44000
LIBYA	6002
QATAR	43232
UK	2893

- b) Incorporate the following in your presentation
 - i. A gradient background fill
 - ii. Uniform Appropriate animations and transitions.
 - iii. Insert a footer of your surname, slide number and automatically updating date
 - iv. Set a slide show loop and set your slide show to run automatically every four seconds.
- c) Save your presentation as your name.
- d) Burn your work on CD and print it as well.
