Questions 51 to 55 carry **ten** Marks each

- 51.** Read the passage below and then answer, in **full sentences**, the questions that follow.

The Beautiful Girl at School

My name is Imran. I go to Glorify Him Junior School. It is found in Maga Town. At my school, there is a very beautiful, kind and caring girl. Her name is Patricia. She is in primary five class. Patricia is bright and smart. All pupils in her class praise her for the extreme academic performance she exhibits. The teachers of primary five use her as their co-teacher especially to those pupils who have not understood a taught concept in class. Patricia always gives a hand to those pupils with academic challenges so that they can also excel just like her.

Besides academics, Patricia is also talented in singing and dancing. The Music teacher, Mr. Kaso Mike, made her the school choir leader because of the sweet soft voice she uses while singing. Boys and youths in the community always look at her and admire her because of her beauty.

Last term, our school choir went for an inter-school MDD competition. The judges observed the competitions critically and later announced our school choir as the winner of the competition. This was all achieved through the efforts of the beautiful musical girl, Patricia. We all lifted her up in jubilation for the spectacular victory she had won for us.

Our Music Patron, Mr. Kasana Sulaiman, rewarded Patricia with a brand new silver TV set in appreciation for her tireless efforts towards the school's victory. Patricia's parents were very happy and proud of what their daughter had done. They thanked the teacher and the school for promoting their daughter's music.

My beautiful mask
Very useful to me indeed
When Covid-19 gets rough
To save me you get tough
I will wear you to the end

My fabric mask
I cannot do without you
For fear of the harsh monster
That cannot spare anyone
An enemy to all

My soft mask
Please stay by my side
To cover my nose and mouth
Whenever I am in public
And make me safe

My pink mask
I only touch your surface
When my hands are clean
I am proud of you
My face mask, oh!
