When I reached the bank, I decided to put the money in one of the corners next to the manager's office and I decided to live for school then.

Before I had moved further, the security guard who was at the door side stopped me and asked me what I had left in the bank.

I told him that I had brought the school fees and I had banked it already. I told him that I had put it in one of the corners next to the manager's office.

Drivers, motorists and pedestrians,
Be informed earlier that,
Whether, you are riding, cycling, walking or driving,
Safety on the roads starts with you,
From wherever you are till wherever you go.

School children, doctors, police officers and teachers,
Accidents pay no respect for you all,
Unless you respect Highway Code,
We shall continue losing important people,
Every time they use the roads recklessly.

Remember, driving at a very high speed,
Crossing the roads carelessly and from unsafe points,
Overtaking from wrong points, overloading,
Not forgetting using vehicles in **DMCs**,
Are all responsible for causing road accidents.

Remember to always drive at a controllable speed,
Avoid overtaking, over loading and driving when drunk,
Pedestrians, cross the roads in a safe manner,
Above all, let's respect Highway Code,
Because these are the only ways out of road accidents.
