

KAKUNGULU HIGH SCHOOL -BOMBO

S.5 END OF YEAR ASSESSMENT 2025

ART AND DESIGN

Paper 1

Art History and Studio Technology Theory

1 hour 40 minutes

INSTRUCTIONS

This paper consists of two sections; A and B .

It has four examination items.

Answer one item from each section.

Answer two examination items in all.

Any additional item (s) answered will not be scored.

All answers must be written in the answer booklet (s) provided.

SECTION A

ITEM 1

Mr. Kendrick a resident of Misaka village was raised in the family. Much as he was not trained at school, his love for art create employment and that is how he has been able to earn a living for his unique style of repurposing objects and trash.

Fig G

The approaches in his artworks are unique and original and have helped him to be recognized at both on national and international levels. Recently, he was selected to represent Ugandan artists at the World Artists' Conference, but he is disadvantaged because he cannot read and write.

TASK

As a student of art and one of his admirers, produce a write up concerning the materials, his approach and why such artworks are produced.

Item 2

The craft of basketry cut across cultures in Africa. When you go to your village its had not find a home without a basket of any type forexample figure X and Z. Meaning they play a great role in day to day life. The environment and purpose, determines the materials and the techniques people use to make them. In the village of wakyayilaki, priscillars' granny was a basket weaver; she was visited by art students of a neighbouring school to seek knowledge from her. Unfortunately, the granny could not express herself in English which students could understand but rather she used luganda.

Licensable

fig x.

fig z

TASK

SECTION B

ITEM 3

Syrus is an art enthusiast. During his leisure time, he takes various art galleries and art display centres. One time he got pieces (Figure E and F) from one of the Art galleries he visited. When he reached home, he put the two pieces in his kitchen. His children got excited about these artworks and they requested him to explain how the artworks are produced and the purpose they serve. Unfortunately, Syrus could not explain to his children and therefore had to look for help from someone else.

Fig

TASK

If Syrus selected you, explain in writing to his children what is required and how to produce any of those artworks from the figures

(either Fig. E or Fig. F)

of the artworks above, and their purpose.

Item 4

Ancient Greece was dominated by large painted in form of vessels in different shapes and sizes for example; 'amphora'. The surfaces were painted with geometric shapes; for example, squares, triangles, rectangles,

and circles organized in horizontal bands called vase painting.. Their vase painting continued to prevail up to the classical period.

Fig. A

Task

As a learner of art, relate the ancient Greek vase painting to different decorations commonly used on pottery from your local area today.
