(Re-write as one sentence using:.....and)

7. He is very kind. He can't hurt even an insect. (Join the two sentences using:.....too.....to.....)

8. Liza is not at school today. She has gone for a swimming competition.
(Join the two sentences using:.....because.....)

9. It was called by the messenger. I did not go.
(Join the two sentences using:.....but.....)

10. They were planting trees. (Begin : Trees)

11. She gave me some money. (Re-write the sentence using:.....any.....)

12. Babirye is short . Nakato is short.
(Join as one sentence using.....asas.....)

13. He has a very expensive watch. (Begin: What.....!)

14. It is raining. It started in the morning.
(Re-write as one sentence beginning: It has)

15. A half a loaf. _____(Complete the proverb)

Read the story below and answer the questions that follow in full sentences.

Once upon a time, there was a man whose name was Bahika. Bahika lived with his daughter and son. He was a kind of a person who always wanted to get rich quickly . Not only did he want riches but he also was a very bad neighbour.

One evening, he made plans with thieves to attack his neighbour called Masaale. During the attack Bahinka put on a mask. When they reached Musaale's home they started shooting to threaten other neighbours.

So inside the house , they locked Musaale and his wife inside the toilet, while they left, their young children of three and one year old started crying. But as they carried the property out. Bahika's mask fell off his face. He quickly picked it to put it back . But when he was bending , some of his documents fell from his pocket , but he did not realise it and left the house with other thieves un caught.

Early the next morning . When Musaale came out of the toilet. The first things he saw was some identity cards. He got shocked , called the 999 police who arrested Bahika. There is no way Bahika could deny and yet his documents were found in Musaale's house. He is right now at Luzira to serve a ten years imprisonment.

Questions:

1. How many people made up the Bahika family?

2. What was wrong with Bahika?

3. With whom did Bahika made plans to attack the neighbour?

4. Why do you think the thieves shot bullets in the air?

5. What happened to Musaale and his wife when the thieves entered?

6. How many children had Musaale?

7. What did Bahika use to hide his face?

8. Who picked Bahilka's documents?

9. How did Musaale alert the police?

10. For how long did Musaale stay in Luzira prison?

TOPIC: BANKING

Fill in each space with a suitable word.

1. All school fees should be paid _____ the bank.

2. The director signed for me a _____ to go to the bank and withdraw money.

3. Disan withdrew some money _____ the bank.

4. When I went to the bank, the cashier asked for my account _____.

(Re-write as one sentence usingfor.....)

10. It's ten days since e last entered the bank. (Re-write the sentence and end.....ago)

11. Kaptei started driving the bus two hours ago. He has opened the door . (Re-write as one sentence using:.....for.....)

12. I started counting this money two hours ago.
(Re-write as one sentence using:for.....)

13. Tomas is so lazy that I can't work with him.
(Re-write as one sentence using:.....too.....to.....)

14. Amir keeps a cheque book. Amir keeps an ATM card.
(Re-write as one sentence using:.....both.....)

15. Kalevu has a cheque. Malevu has a cheque.
(Re-write as one sentence using:.....both.....)

16. Neither the TV station nor the radio station advertised the bank services. (Re-write as two separate sentences)

17. Lumansi did not withdraw the money. Dominic did not withdraw the money. (Re-write as one sentence beginning : Neither)
- _____
- _____

Read the notice below and answer the questions in full sentences.

BANK OF UGANDA

ANNOUNCEMENT

This is to inform all the general public that the following people are no longer employees of our bank. So no any financial dealing should be done with the on our behalf.

1. Kato Messe
2. Mbuzi Peter
3. Ndiga Roger

If these people are found , please inform any nearby police station.

Yours'

Nkoko Moses

Public Relations Manager.

Questions:

1. What is the announcement about?

2. Which bank is announcing?

3. Who are being informed?

4. Why shouldn't the public deal with those people mentioned?

5. Where was the announcement written?

6. When was the announcement written?

7. Who wrote the announcement?

8. Which people are talked about in the announcement?

Write the following words in alphabetical order.

1. money, manager, management, messenger

2. guard, guardian, gossip, good.

3. thief, steal, steam, still

4. bank, cashier, not, money

5. boy, brother, baby, bursar

6. cash, cashier, customer, care

7. dust, dull, dump, duck

8. ideal, idle, ido, incorrect

9. double, donate, doze, dose

Give one word for the underlined group of words.

1. A place where people keep their money.

2. A person who receives and gives out money in the bank.

3. A bank that controls other banks in a country.

4. The overall head of all workers in a bank.

5. A strong box where money is kept.

6. A person in charge of security at a bank.

7. An example of a bank of Uganda is _____

8. A place in the bank we get information about the bank from

Use the correct form of the words in brackets to complete the sentences.

1. The _____ was not arrested by the army. (cycle)
2. Most _____ in our country are adults. (motor)
3. Traffic was _____ today than it was yesterday. (heavy)
4. The _____ the traffic , the cheaper the transport becomes. (light)
5. As John was _____ the road, he dropped his keys. (cross)
6. Muto apologized for hitting his friend _____. (accidents)
7. The boy who crossed the road _____ was almost knocked down by a speeding car. (care)
8. Road _____ should be taught in all schools. (safe)
9. The _____ thing I learnt before I crossed the road as to use a zebra crossing. (one)

11. Diana _____ down but she did not cry. (fall)
12. The old man crossed the road _____. (slow)
13. Veronica was _____ by a snake yesterday. (bit)
14. The _____ window was broken down. (wood)
15. Whenever it rains _____, our village floods. (heavy)
16. Traffic jams are always caused by _____ motorists. (care)

Fill in the blank space with a suitable word.

1. The elephant jumped _____ the tree.
2. The pilot _____ the aeroplane to Kigali airport.
3. The teacher told us to go to our beds and _____.
4. The man _____ came here is the Inspector of schools.
5. Both teachers and parents _____ responsible people.
6. Kizito is related _____ Kamau.
7. Neither John _____ Joshua is my friend.
8. Musa notes important events into his _____.
9. Afande Nyakairima died _____ Malaria.
10. _____ Kato and Wasswa are in P.5.
11. The school was built _____ 1998.

12. The head teacher talked _____ two hours.
13. Betty came to school _____ foot.
14. Girls in P.5 are good _____ netball .
15. Parents _____proud.
16. The calf was killed _____the speeding car.
17. Some one is knocking _____the door.

P.5 HOLIDAY PACKAGE

MATHEMATICS

TOPIC : MONEY

MONEY

Money is a medium of exchange . In Uganda , coins and notes are used as money.

Examples of coins.

shs.500
shs. 100
shs. 200
shs. 500
shs. 1000

Examples of paper notes:

shs. 1000
shs. 2,000
shs. 5,000
shs. 10,000
shs. 20,000 // shs. 50,000

Activity

1. How many two hundred shillings are in one thousand shillings?

2. How many to thousand shillings are in twenty thousand shillings?

3. Opio went to a mobile money show to change a 50,000 shilling note and he was given notes of 5,000 shillings . How many notes were given to Opio after getting the change?

4. One shirt costs shs. 1200. Find the cost of 8 similar shirts.

5. A man bought a pair of shoes at shs. 35,000 and sold it at shs . 42,000. What profit did he get?

6. Musa made a loss of 5,000 shillings after selling a sack of groundnuts. If he bought the sack at shs. 105,000, how much did he sell the sack?

7. A trader bought a radio at shs. 64,000 and sold at a profit of 22,000 shillings. What was selling price of the radio?

8. Multiplex forex bureau gives out 3800 shillings for US dollar . How much money will Kato get from 20 US dollars?

9. A blanket costs 84000. How much money in Kenyan shillings will one pay if one Kenyan shillings costs sh. 40?

10. Nanvuga went for shopping and bought the following items.
3kgs of posho at shs.2500 per kg.
1½ kg of sugar at shs. 4,000 per kg.
2 bars of soap at shs. 5,400.
a) What was her total expenditure?

b) If she went with a fifty thousand shilling note. Find her change.

12. A forex bureau sells different currencies at the rates below.

Ikg shs = Ug shs. 45

1 US\$ = 3,500

1 pound sterling = 45000

a) How many dollars will a business man get from Ug shs. 70,000?

b) If the cost of a book in Kenya is K. shs 45,000. How much money would it cost in Uganda shillings?

13. A new car costs 180,000 in Uganda shillings. How much pound sterling does it cost?

14. A set of 40 sauce pans cost shs. 960,000. What is the cost of each sauce pan?

15. Mukama bought a radio at shs. 24,600 and sold it at shs. 50,000.
Calculate the profit he made.

16,. Namusis bought a dog at shs 46,500 and sold it at shs. 41,000. What loss did he make?

17. Peter sold a pair of trousers at 18,900 making a profit of shs. 1,100.
Calculate the cost price of the trouser.

18. Monica sold a sofa set at shs. 450,000 making a loss of shs. 150,000.
Calculate the buying price of the chair.

19. The cost of a chair is shs. 15,000.
Find the cost of 7 similar chairs.

20. Apio bought a geometry set at shs. 2,000 and later sold it at shs. 2,500.
What was her profit?

21. The exchange rate of Kenya shillings to Uganda shillings is 1Kshs = Ug shs . 24. How many Kenya shillings will one get from 24,000 Uganda shillings?

22. The cost of 7 books is shs. 42,000. Find the cost of 2 dozens.

23. A shop keeper bought a jerrycan at shs. 5,000 and sold it at a loss of 500/= . Calculate the percentage loss.

24. Seven plates costs shs. 14,000. How many plates does one buy with 8,000 shillings?

25. A man sold a bag at shs. 72,000 and then sold it at 84,000. Calculate this profit.

26. The cost of an article is shs. 5,000. What is the cost of 5 articles?

27. If U\$ = Ug shs 2,800. Find the number of US dollars that are in Ug.shs.140,000.

28. A trader bought a phone at shs. 112,000 and sold it and made a loss of shs. 8700. What was the buying of the phone?

LENGTH, MASS AND CAPACITY

Length is a measure of the distance between any two places / plants.

Length is measured in metres , centimetres and , millimeters.

$$1\text{cm} = 10\text{mm}$$

$$1\text{km} = 1000\text{m}$$

$$1 \text{ litre} = 1000\text{ml}$$

$$1\text{m} = 100\text{cm}$$

$$1\text{kg} = 1000\text{g}$$

Activity

1. Convert 3 meters to centimeters.

2. Express the centimetres to millimeters.

a) 5cm

b) 20cm

c) 15cm

3. Work out:

m	cm
4	45
- 1	55

4. Convert the following meters to centimeters.

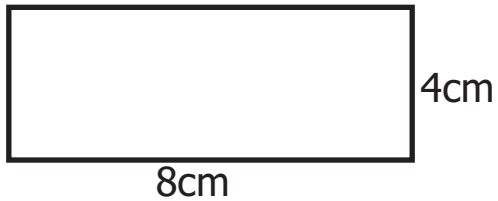

a) 5.8m

b) 12m

c) 4m^2 to cm^2 .

5. Calculate the area of the rectangle below.

6. How many metres are there in the following centimetres.

a) 5000cm

b) 1000m

7. Convert 700g to kg.

8. Workout : **Kg**

g

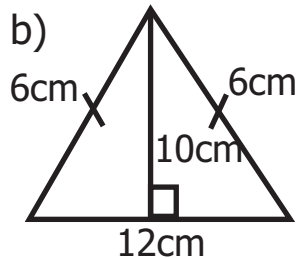

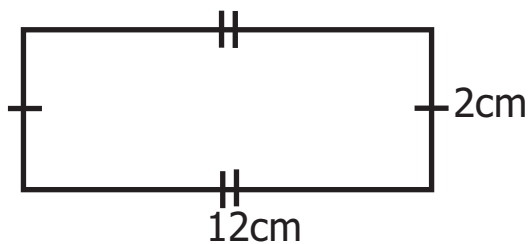

8

2 4 0

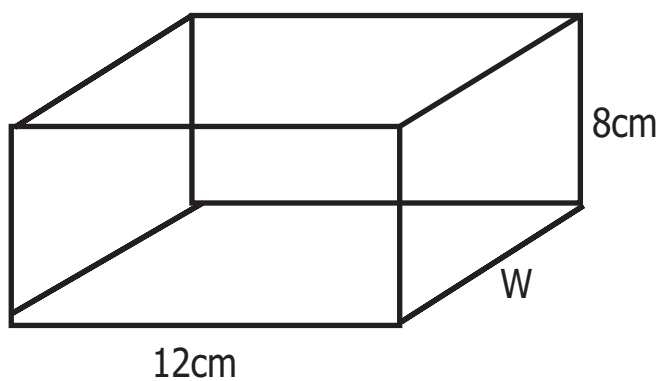

+ 3

1 5 0

9. a) Find the perimeter of the following figures.

10. The volume of a cuboid below is 960cm^3 .

a) Find the value of W.

b) Work out its total surface area.

11. Express the following kilograms as grams.

a) 26kg

b) 184kg

c) 62kg

12. Convert the following litres to millilitres .

a) 7 liters

b) 4.6 litres

13. How many litres are there in these millilitres.

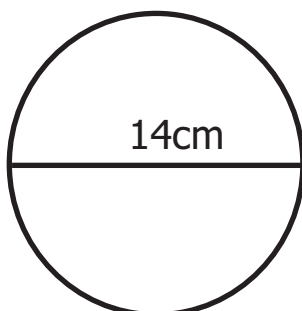

a) 3000ml

b) 1500ml

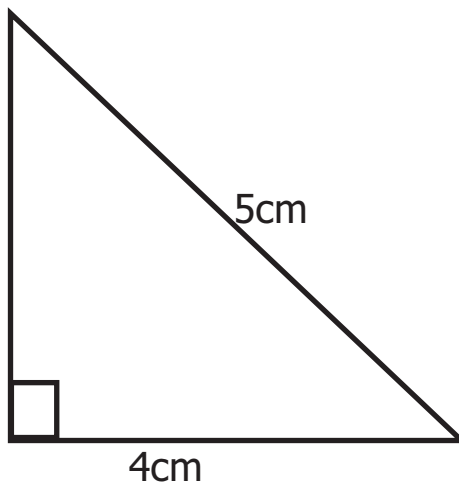

14. A mother bought 5kg of g.nuts. Express the quantity bought in grammes.

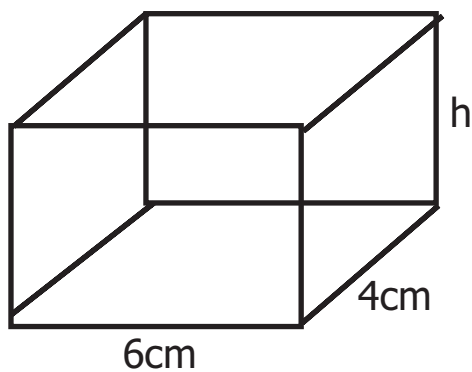

15. Find the area of the circle below.

16. Find the area of the triangle below.

17. The volume of the box below is 120cm^3 . Calculate its height,

ALGEBRA

Activity

1. Work out algebraically using letters instead of words:

a) $3a + 2a + 4a$

b) $8b + 6b + 3b$

c) $2t + 5 + t - 3$

2. Change the following word problems into algebraic statements.
Omuro has 7 mangoes and his friends gave him 2 mangoes. The total number of mangoes Omuro has is 13.

3. Write in equation form.
9 plus m equals 13.

P.5 SCIENCE

TOPIC: TYPES OF CHANGES

BIOLOGICAL , PHYSICAL AND CHEMICAL CHANGES

There are many changes that take place in the environment. Some of these changes are easily seen and others are not seen.

Activity

1. What are biological changes?

2. Mention any four examples of biological changes.

i) _____	(iii) _____
(ii) _____	(iv) _____

3. What type of change is moulting?

4. What are chemical changes?

5. Give four examples of chemical changes.

(i) _____ (ii) _____

(iii) _____ (iv) _____

6. State two characteristics of biological changes.

(i) _____

(ii) _____

7. State any two ways in which chemical changes are different from physical changes.

(i) _____

(ii) _____

8. Mention any two characteristics of physical changes.

(i) _____

(ii) _____

9. What type of change takes place when wood burns into ash?

10. Why is rusting of metals regarded as a chemical change?

11. Why is freezing regarded as a physical change?

12. What type of change takes place when a chameleon changes its colours?

13. Mention any two changes that take place in the environment and are caused by man.

(i) _____

(ii) _____

14. What type of change takes place when wax melts?

15. Give any two negative effects of man made changes in the environment.

(i) _____

(ii) _____

16. Give one importance of trees in the environment.

17. What does the term growth means?

18. Which type of changes are caused by landslides and earth quakes?

19. Explain how the sunny weather is dangerous to people.

20. What type of change is formation of a mountain?

21. Why is personal hygiene an important practice?

22. State two ways of managing biological changes of the human heart.

(i) _____

(ii) _____

23. Give any three ways of managing changes in the environment.

(i) _____

(ii) _____

(iii) _____

TOPIC: SCIENCE IN HUMAN ACTIVITIES

(keeping goats and sheep)

Activity

1. Give at least two reasons why people rear goats.

(i) _____

(ii) _____

2. Give the difference between a nanny goat and a billy goat.

3. What is the gestation period of a nanny goat?

4. Mention any three products of local goats.

(i) _____

(ii) _____

(iii) _____

5. Name any three breeds of local goats.

(i) _____

(ii) _____

(iii) _____

6. Write down three methods of grazing goats and sheep.

(i) _____

(ii) _____

(iii) _____

7. Why do farmers rear somali goats?

8. Write down three exotic breeds of goats.

(i) _____

(ii) _____

(iii) _____

9. State any two examples of dairy breeds of goats.

(i) _____

(ii) _____

10. Give the meaning of the term dual purpose breed.

11. What is docking?

12. Give the reason why docking is an important practice.

13. What is shearing?

14. Define the word castration as used in goat and sheep rearing.

15. Name any two types of castration.

(i) _____

(ii) _____

16. Give any one advantage of castrating a goat.

17. State any two methods used in de-worming goats.

(i) _____

(ii) _____

18. Differentiate between dozing and drenching.

19. List down any two practices in goat keeping.

(i) _____

(ii) _____

20. Name any three common internal parasites that attack goats.

(i) _____

(ii) _____

(iii) _____

21. List down two records kept in piggery.

(i) _____

(ii) _____

22. What is the gestation period of a sow?

23. Write down three diseases which attack goats, sheep and pigs.

(i) _____

(ii) _____

(iii) _____

24. What is the recommended age for weaning piglets?

25. Mention any one viral disease that pigs.

26. Why should a pigsty have a slanting roof?

27. Why is weaning of piglets important?

28. Name any three products from pigs.

(i) _____

(ii) _____

(iii) _____

29. Which external parts of goats are used for defence?

30. Name four exotic breeds of pigs.

(i) _____ (iii) _____

(ii) _____ (iv) _____

31. Which sheep have white faces and pink skins on their muzzles?

32. What is gestation period of a skin?

33. Name three diseases which attacks goats , sheep and pigs.

(i) _____

(ii) _____

(iii) _____

34. Give any two signs of a pig on heat.

(i) _____

(ii) _____

35. Name two products given by Romney Marsh.

(i) _____

(ii) _____

36. If a pig or goat frequently rubs its body, on a wall or tree. What does that show about it?

37. Write down three advantages of a proper housing system for goats and sheep.

(i) _____

(ii) _____

(iii) _____

38. State four factors in promoting good health for goats , sheep and pigs.

(i) _____

(ii) _____

(iii) _____

(iv) _____

39. What causes anthrax in goats and pigs?

40. Write down three signs and symptoms of anthrax in goats and pigs.

(i) _____

(ii) _____

(iii) _____

TOPIC: SHEEP REARING

Activity

1. Mention three breeds of sheep.

(I) _____ (ii) _____ (iii) _____

2. What is wool breed?

3. State any two types of sheep kept for wool production.

(i) _____

(ii) _____

4. Define these terms as used in sheep rearing.

a) Docking : _____

b) Heat period: _____

c) Parasites: _____

d) Mutton breed: _____

5. Give two examples of dual purpose breed of sheep.

(i) _____

(ii) _____

6. Write down two examples of mutton breed rabbits.

(i) _____

(ii) _____

7. Write down three examples of internal parasites.

(i) _____

(ii) _____

8. What is the gestation period of a sheep?

9. Identify any three signs of a heat period of a sheep.

(i) _____

(ii) _____

(iii) _____

10. State any one method used in docking of a sheep.

11. State any two methods of grazing goats and sheep.

(i) _____

(ii) _____

12. What is zero grazing method of sheep rearing?

13. State two advantages of tethering method of grazing goats.

(i) _____

(ii) _____

TOPIC: FOOD AND NUTRITION

Nutrition is the general process of supplying the body with food nutrients its proper functioning and growth.

The act of taking food into the body is called **Nutrition**.

Something which is eaten or drunk is called **food**.

Activity

1. What do you understand by the term food?

2. State three reasons why people eat food.

- (i) _____
- (ii) _____
- (iii) _____

3. Define the term breast feeding.

4. Give the meaning of these terms:

- a) Colostrum : _____
- b) Weaning: _____
- c) Staple food: _____

5. Mention three examples of food taboos.

- (i) _____
- (ii) _____
- (iii) _____

6. Write any two importance / advantages of food taboos.

- (i) _____
- (ii) _____

7. Why is breast feeding regarded as the best food for babies?

8. Write down three advantages of breast milk to a baby.

- (I) _____
- (ii) _____
- (iii) _____

9. Give any two importances of colostrum to the baby.

- (i) _____
(ii) _____

10. Write down two advantages of bottle feeding.

- (i) _____
(ii) _____

11. What are vulnerable groups of people?

12. Give three examples of vulnerable groups of people.

- (i) _____
(ii) _____
(iii) _____

13. Mention three disadvantages of bottle feeding to the mother.

- (i) _____
(ii) _____
(iii) _____

14. List down any two examples of food for weaning the child.

- (i) _____
(ii) _____

15. Write down four disadvantages of breast feeding to a baby.

- (i) _____
(ii) _____
(iii) _____
(iv) _____

16. **Complete the table below.**

Deficiency Disease	Cause
(I) Marasmus	_____
(ii) _____	Lack of iron
(iii) Rickets	_____
(iv) _____	Lack of Vitamin B.

17. Mention the food given to the patients.

18. Why should a person suffering from malaria feed on food rich in iron?

19. What advice would you give to another whose child is suffering from scurvy?

20. Name two possible dangers of breast feeding to a baby.

(i) _____

(ii) _____

21. A baby has a swollen face brown hair and a swollen abdomen. Which disease is the baby suffering from?

22. Write down two conditions that make women vulnerable.

(i) _____

(ii) _____
