ICT

S.5

TOPICS:

INTRODUCTION TO ICT

(Competency: The learner operates a variety of ICTs to perform tasks in day-to-day life)

ELECTRONIC PRESENTATION.

(Competency: The learner creates and delivers visually appealing and interactive electronic presentations to communicate ideas effectively.)

WEEK	PERIOD	TOPIC	COMPETENCY	LEARNING OUTCOMES	LEARNING ACTIVITIES	METHODOLOGY	REF	Remarks
1	2	T1: Introduction to ICTs	The learner operates a variety of ICTs to perform tasks in day-to-day life.	LO a) Explore the utilisation of various ICT tools in day-to-day life. (k, u, a, gs)	Pair Discussion (a): Learners identify and discuss how ICT tools are used in different fields (e.g., health, agriculture, commerce).	Discussion, Brainstorming, Q&A	Generic baroque ict Ict student text book- teacher network Ict ideal book	Focus on relevance and societal impact of ICT.
	2	T1: Introduction to ICTs		LO a) Explore the utilisation of various ICT tools in day-to-day life. (k, u, a, gs)	Plenary Presentation/Role-play (b): Learners present and role-play how ICTs are used in those fields, demonstrating scenarios.	Role-play, Presentation, Class Feedback	Generic baroque ict Ict student text book- teacher network Ict ideal book	Assess understanding through creative demonstration.
	2	T1: Introduction to ICTs		LO a) Explore the utilisation of various ICT tools in day-to-day life. (k, u, a, gs)	School Tour/Visual Exploration (c): Learners tour the school to explore how ICT tools are used within the school system.	Observation, Field Study, Guided Tour	Generic baroque ict Ict student text book- teacher network Ict ideal book	Emphasize practical identification and use.

2		T1: Introduction to ICTs	The learner operates a variety of ICTs to perform tasks in day-to-day life.	LO b) Use digital tools to solve day-to-day life challenges. (k, s, v, gs)	Group Collaboration (a): Learners explore how different ICT components can be connected to form a working system.	Group Activity, Practical Demonstration	Generic baroque ict Ict student text book- teacher network Ict ideal book	Introduce the concept of a system architecture .
		T1: Introduction to ICTs		LO b) Use digital tools to solve day-to-day life challenges. (k, s, v, gs)	Group Research & Flowchart (b, c): Research and create a detailed flowchart explaining the booting process in various OS. Present flowcharts using multimedia.	Research, Flowchart Design, Multimedia Presentation	Generic baroque ict Ict student text book- teacher network Ict ideal book	Focus on logical sequence and steps of OS initiation.
3		T1: Introduction to ICTs	The learner operates a variety of ICTs to perform tasks in day-to-day life.	LO b) Use digital tools to solve day-to-day life challenges. (k, s, v, gs)	Group Practice & Demonstration (d, e): Practise proper start-up and shutdown of devices under scenarios. Demonstrate solving typical start-up/shutdown issues.	Practical Session, Role-playing, Guided Practice	Generic baroque ict Ict student text book- teacher network Ict ideal book	Emphasize procedural skills and basic troubleshooting .
	2	T1: Introduction		LO b) Use digital tools to solve day-to-	Group Presentation & Write-up (f, g): Learners present	Presentation, Documentation,	Syllabus p.13 Generic baroque	Reinforce critical evaluation and

		to ICTs		day life challenges. (k, s, v, gs)	troubleshooting managed and document best practices. Individual write-up on the significance of proper start-up/shutdown.	Individual Writing	ict Ict student text book- teacher network Ict ideal book	best practices.
4	2	T1: Introduction to ICTs	The learner operates a variety of ICTs to perform tasks in day-to-day life.	LO c) Create directories and use them to manage electronic files. (k, u, s)	Group Organisation (a, c): Learners create and organise files into folders and subfolders based on a task. Simulate a real-world client info storage.	Practical Session, File Management Simulation	Syllabus p.14	Focus on logical file hierarchy.
	2	T1: Introduction to ICTs		LO c) Create directories and use them to manage electronic files. (k, u, s)	Group Saving Practice (b): Learners collaborate to save files on various storage media (USB drives, external hard drives, etc.).	Practical Session, Storage Media Handling	Syllabus p.14	Discuss storage media types and data backup.
	2	T1: Introduction to ICTs		LO c) Create directories and use them to manage	Individual Practice (d): Individually, learners save documents in specified	Practical Assessment, Individual Task	Generic baroque ict Ict student text book- teacher	Assess accuracy in format saving.

				electronic files. (k, u, s)	formats (e.g., .docx, .pdf, .txt) and designated folders.		network Ict ideal book	
5	2	T2: Electronic Presentation	The learner creates and delivers visually appealing and interactive electronic presentations to communicate ideas effectively.	LO a) Create electronic presentations and use them to communicate ideas. (k, u, s, a)	Group Research & Comparison (a): Research and compare different presentation software (e.g., PowerPoint, Google Slides, Canva, Prezi).	Research, Comparative Analysis, Discussion	Syllabus p.14 Generic baroque ict Ict student text book- teacher network Ict ideal book	Discuss software features and suitability .
		T2: Electronic Presentation		LO a) Create electronic presentations and use them to communicate ideas. (k, u, s, a)	Group Exploration (b): Explore various template designs and layouts . Select effective layouts for specific content types.	Software Exploration, Design Critique, Group Selection	Syllabus p.14 Generic baroque ict Ict student text book- teacher network Ict ideal book	Focus on matching layout to content type .
6		T2: Electronic Presentation	The learner creates and delivers visually appealing and interactive	LO a) Create electronic presentations and use them to	Group Creation (c): Learners create a presentation on a predetermined topic, applying the template	Practical Application, Content Structuring	Syllabus p.14	Emphasize coherence and clarity .

			electronic presentations to communicate ideas effectively.	communicate ideas. (k, u, s, a)	designs and layouts selected earlier.			
	2	T2: Electronic Presentation		LO a) Create electronic presentations and use them to communicate ideas. (k, u, s, a)	Group Demonstration (d): Learners demonstrate a presentation with a strict time limit (30–40 minutes), focusing on applying suitable templates and layouts efficiently.	Presentation Practice, Time Management	Syllabus p.14 Generic baroque ict Ict student text book- teacher network Ict ideal book	Assess efficiency and time-bound delivery .
7	2	T2: Electronic Presentation	The learner creates and delivers visually appealing and interactive electronic presentations to communicate ideas effectively.	LO a) Create electronic presentations and use them to communicate ideas. (k, u, s, a)	Pair Customisation (e): Customise the theme (background, fonts, layouts) for visual consistency.	Design Practice, Software Customisation	Syllabus p.14	Focus on visual consistency and professionalism .
	2	T2: Electronic Presentation		LO a) Create electronic presentations and use them	Presentation Delivery (f): Learners present their work using appropriate features	Presentation, Public Speaking Practice, Peer Evaluation	Syllabus p.14	Assess delivery skills and effective

				to communicate ideas. (k, u, s, a)	(speaker notes, slideshow mode, animations/transitions). Practice public speaking skills.			tool usage.
8	2	T2: Electronic Presentation	The learner creates and delivers visually appealing and interactive electronic presentations to communicate ideas effectively.	LO b) Format presentations to make them visually appealing and engaging to the audience. (u, s, v)	Individual/Group Formatting (a): Create individual slides applying text formatting, bullet points, Word Art, and Smart Art.	Practical Session, Design Principles, Formatting Practice	Syllabus p.15 Generic baroque ict Ict student text book- teacher network Ict ideal book	Introduce principles of visual hierarchy.
	2	T2: Electronic Presentation		LO b) Format presentations to make them visually appealing and engaging to the audience. (u, s, v)	Group Multimedia Integration (b): Collaborate to incorporate multimedia elements (images, videos, animations, audio) into their presentations.	Practical Session, Multimedia Integration	Syllabus p.15 Generic baroque ict Ict student text book- teacher network Ict ideal book	Emphasize relevance and quality of multimedia.
9	2	T2: Electronic	The learner creates and delivers visually	LO b) Format presentations to make them	Pair Animation/Transition (c): Demonstrate slide	Guided Practice, Discussion, Practical	Syllabus p.15 Generic baroque	Focus on using features to

		Presentation	appealing and interactive electronic presentations to communicate ideas effectively.	visually appealing and engaging to the audience. (u, s, v)	transitions and animations , applying them while discussing when and how to use them effectively.	Application	ict Ict student text book- teacher network Ict ideal book	enhance.
	2	T2: Electronic Presentation		LO b) Format presentations to make them visually appealing and engaging to the audience. (u, s, v)	Group Design Scenarios (d, e): Format a presentation to tell a compelling story. Design a professional presentation for a simulated event.	Collaborative Design, Storyboarding, Simulated Task	Syllabus p.15 Generic baroque ict Ict student text book- teacher network Ict ideal book	Assess tailoring design to narrative and audience.
10	2	T2: Electronic Presentation	The learner creates and delivers visually appealing and interactive electronic presentations to communicate ideas effectively.	LO c) Collaborate with others to develop and deliver a presentation using online and offline tools. (k, u, s, v, gs)	Group Cloud Collaboration (a): Collaboratively design and develop a presentation using cloud-based tools (Google Slides, MS PowerPoint Online, or Canva).	Collaborative Tool Use, Real-time Editing	Syllabus p.16 Generic baroque ict Ict student text book- teacher network Ict ideal book	Focus on coordinating contributions.

	2	T2: Electronic Presentation		LO c) Collaborate with others to develop and deliver a presentation using online and offline tools. (k, u, s, v, gs)	Individual Delivery Practice (b): Individually prepare and deliver a 5-minute presentation on a topic of choice, incorporating at least one visual aid.	Individual Presentation, Practice/Critique	Syllabus p.16 Generic baroque ict Ict student text book- teacher network Ict ideal book	Assess non- verbal communication and content delivery.
	2	T2: Electronic Presentation		LO c) Collaborate with others to develop and deliver a presentation using online and offline tools. (k, u, s, v, gs)	Virtual Rehearsal & Feedback (c): Use video conferencing tools for virtual rehearsal and peer feedback.	Virtual Meeting Simulation, Peer Feedback	Syllabus p.16 Generic baroque ict Ict student text book- teacher network Ict ideal book	Focus on online presentation etiquette and giving constructive feedback.
