51. Read the passage below carefully and answer in full sentences, the questions that follow.

Kato Elvis is a total orphan who lives in Katende village. Kato lost all his parents in a day through a bus accident. Kato's father and the mother were all going to attend the Farmers' Annual seminar in Kalolo Town.

They had been the best farmers in Katende village.

Kato felt the hardest life starting from the burial date of his parents since he was the only child in the family.

He felt lonely, misplaced, hungry, thirsty and miserably.

Two months later, Kato started feeling alright and he resumed his normal funny moods. In second term, Kato's grandmother with whom he lives, failed to raise his school fees. Kato decided to start keeping poultry with the ten thousand shillings he had kept.

Kato quickly went and bought a hen and a cockerel. Two months later, the hen laid twenty four eggs and all hatched into chicks.

Before the end of the second term, Kato had more than 50 birds at his grandmother's home.

Kato decided not to go back to school in order to take care of his birds but his friend, Ssuna Benard advised him to look for someone else to do so that he could go back to school.

Kato listened and did so. At the age of 15 years, Kato had already employed ten youths in the village to work on his poultry farm.

Kato was the only primary seven child who had employees in the district. During the holidays, he could sell eggs, hens and chicks. Kato became the best candidate and the wealthiest in the entire district.
