Turn Over

SECTION A

This section is compulsory

Item one

Having raised some funds from savings and sale of his motorcycle, Kiyasi wanted to buy a machine for grinding maize seeds into maize flour in MAMA ENTERPRISES in his village. However, he is not sure of the type of the machine to buy. He is also new in the area he wants to set up his business thereby need to find out the customer opinion about the products he is to produce has to be considered.

Task

- (a) Organise a tool Kiyasi can use for establishing customer views about his products.
- (b) Explain to Kiyasi the various sources of business finance.

Item two

After completing Martha, Mark and Mary decided to become entrepreneurs and started a joint business venture, 'Triple M' bakery in their home town of Kakiri. They collaboratively manage production, marketing and finances, with Martha being an active partner. The bakery has become a success in their community. They always obtain their inputs from the farmers and external sources but despite the success still some experienced customers complain that the output needs to be improved.

Task

- (a) Guide the entrepreneurs on the factors of consideration when selecting a source of raw materials.
- (b) Explain the effective advertisement medium for their bakery products.

Section B

Part 1

Item three

Mrs.Kato Robina is a trader in Luwum Street in Kampala selling televisions where she issues receipts to her customers with a description "**goods once sold are not returnable**" Babirye bought a television on reaching home, she found out that it was not the brand she wanted. She could not return it back to Mrs.Kato's shop but instead put it i

n her store as a waste. With this dissatisfaction many customers started discovering sellers with fair terms of sale causing a reduction in sales Mrs.Kato's business

Task

- (a) Besides selling poor quality goods to customers, present other forms through which customers are exploited in Uganda.
- (b) Explain the factors that prove that an entity is failing.

Item four

Musoke operates a mobile money shop and was yesterday disappointed when he went to deposit money on his bank account. While in the bank, he was told the money he had was **fake** and therefore it was destroyed by the bank. He is now wondering how best to identify good money from fake money. A certain primary teacher went to Musoke's mobile money in seek of determining the balance he had in his bank account and wanted to get this money without going to queue in the bank.

Task

As a student of entrepreneurship,

- (a) Make a write up to stop Musoke's wondering situation
- (b) Present the various techniques of transacting without visiting the bank.

Part II

Respond to only **one** examination item from this part

Item five

Joshua operates ALAKARA ENTERPRISES and has been receiving cash from customers and keeps it in a cash box at home. One day thieves broke into the office and took a large sum of money which reiterated the business performance.

On 20th November 2025 Joshua made sales of shs.800,000 and had to make a withdrawal of shs.650,000 the following day

Task

Help Joshua to deposit his money in his account number 0030006740 of Centenary Bank Jinja branch and later make a withdrawal on 21st November 2025
